CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college meticulously plans and develops action plans for effective implementation of the curriculum in line with the institution's goals to empower the students through quality education. The curriculum delivery is effectively done through lectures, interactions with students and printed study material given to students. • The Head of the institution holds meetings with all the departments and as per the decisions asks them to prepare a teaching plan for each class and one consolidated plan and it is followed accordingly. • The records of class work are maintained by the staff members and it is monitored by the Heads of the Department. • Faculty members prepares the study material and notes of topics which are distributed to the students for their academic preparation. • Unofficial and official Assignments are given to the students based on their syllabus which motivates the students to refer to various reference books and to use internet facility etc. to acquire knowledge. • Internal Assessment Tests are conducted for the students which enable the students to assess their level of preparation for the examinations. The quality of the education imparted to students is also monitored and ensured through academic audit by Internal Quality Assurance Cell.

As the institution is Govt. funded, the requirements of the college are demanded each year by the Government. The college seeks information related to the requirements from its various departments and accordingly as per the needs the college submits its demands to the State Govt. The Grant/ Funds received from the Govt. are allocated to the Departments and required purchase is made. The liability of maintaining and making proper utilization of the available facilities falls on the concerned departments. The building is maintained by the PWD, a Govt. agency. The Librarian and the Sports Officer look after the provisions of library and games and sports related activities. The College receives funds from the Jan Bhagidari Samiti and from the students admitted in Self Financing Courses. A portion of it, as decided by the committees, is spent on maintenance of related facilities.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

 Induction Meeting In the beginning of each new session, the college organizes Induction Meeting Programme for entry level students and they are persuaded to follow the set rules and discipline in the Campus. They are also instructed to observe discipline in every walks of life so that they may lead and inspire others also. 2. Initiative for optimum use of Internal and external Resources: College forms a committee to plan, monitor and inspire all the stake holders of the college to take personal care and initiative to ascertain optimum use of resources available. The initiative taken reflects in the conduct of all the stake holders.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college is catering educational needs of the students who come from the rural, backward, and slum area, which is adjoining to the college. These students are from Unprivileged and Underprivileged sections of society. So it is a great responsibility of College management and the staff as well to provide them with all possible resources available in the college. They are given scholarships, books and Stationery and Medical Insurance. Moreover, they are always encouraged to move on the social ladder. Consequently, many of them come forward and show their talents in academic and extra-curricular activities such as Sports, NCC and NSS.
