### **DEPARTMENT OF ENGLISH:**

The Department of English came into existence along with the College in 1944 and has been offering its services to students of literature and language at UG and PG level since its inception. It is also a Research Centre of Bilaspur University and is extending guidance to the Scholars in their research leading to award of the degree of Ph.D. The Department is committed to inculcate and promote value-based learning.

### **THEME:**

Literature is the reflection of society, time, prevailing trends and scenarios of life and people. It plays a vital role in shaping the thoughts, behavior and personality of people. In this era, we are pacing forward and laying emphasis on "Vocal for Local", it would be promising to focus on Indian English Literature. It has now been universally acknowledged and acclaimed worldwide by readers and appreciators of literature through its thoughtful presentations. "Tomb of Sand" by Geetanjali Shree is a proven name now to establish the worth and significance of Indian Literature in English, gradually extending its vast arena worldwide.

Keeping this in view, the Department of English is organizing a National Seminar on the topic "Trends and Dimensions in Indian English Literature"
