1. INTRODUCTION:

Government Jamuna Prasad Verma P.G. Arts & Commerce College is situated at NH-130 (old NH-200) in Bilaspur. The college is one of the oldest college of the State as it has its roots in SBR College which was established by Maha Kaushal Shikshan Samiti in 1944 and has come into its present state after facing various transmutations as it was taken over by the Government of M.P. in 1972 and its Science Faculty was segregated in 1986. Since then, it was known as Govt. PG Arts & Commerce College. The Govt. of Chhattisgarh renamed it as Govt. Jamuna Prasad Verma PG Arts & Commerce College in 2008 just to honor an eminent social worker of the region.

The college is presently affiliated to the Atal Bihari Vajpayee University, Bilaspur. It is spread over approx. 2.82 acres of land, the College is a Multi Faculty (Arts, Commerce, Science, and Management) Co-ed Post Graduate college comprising Govt. financed 8 PG Departments, 6 UG Departments and 4 Self-Financed Departments with 32 regular faculty members supported by 22 Non-teaching Staff catering to the educational needs of more than 3300 students out of which over 89% belong to socially, economically and educationally backward classes. Significant numbers of its students are from rural and backward areas. Among the students, approximately 42 % are girls. Putting appropriate emphasis on curricular and co-curricular activities, the College is striving to promote value-based quality education for inculcating a sense of social responsibility and good citizenship amongst its student community.

2. VISION & MISSION:

Vision

The Vision of the College is to uplift the academic standards of the youths by imparting quality higher education, instilling them with the qualities of compassion, competence and confidence and thus prepare them to serve the Nation and the society they move in. With this vision, the College intends to serve the youths of the region and the state by providing them access to higher education with quality which may enable them to be fairly competent and competitive in the fields they enter. The college strives towards intellectual, moral and cultural development of the students inculcating moral values, discipline, dedication and employability to them.

Mission

- 1 To provide the masses cost effective access to higher education.
- 2 To serve the student community who are educationally, socially and economically weaker in this region.
3. To transform the youth into educationally, morally, culturally and spiritually good citizens with greater employment opportunities.
4. To provide academic excellence among students.
5. To inculcate discipline into the students.
6. To motivate the Students' participations in extracurricular activities to develop their hidden skills.
7. To orient the students towards their social responsibilities through various co-curricular and extracurricular forums such as N.C.C., N.S.S., Sports, YRC, and the like.

3. INSTITUTIONAL BASIC INFORMATION

3.1 INSTITUTIONAL IDENTITY:

- Name of the Institution:- Govt. J.P. Verma P.G. Arts and Commerce College Bilaspur (C.G.)
- Is the Institution approved by Regulatory body (UGC / Others)? : Yes
- Type of Institution – as on funding basis: Govt. funded
– as on gender basis : Co-education
- Status of Institution Affiliated only

- Name of Head of Institution and Project Nodal Officers:

Head and Nodal Officer	Name	Mobile Number	WhatsApp Number	E-mail
Head of the Institution (Full time appointee / In-charge)	Dr.S.L.Nirala	9425538230	9425538230	pggacc.bsp@gmail.com
IDP Coordinator	Mr. Manoj Kumar Sahoo	7869094301	7869094301	idpjpv.bsp@gmail.com
IQAC Coordinator	Dr. S.S. Upadhyay	9406112060	9406112060	pggacc.bsp.iqac@gmail.com

4.INSTITUTIONAL DEVELOPMENT PLAN (IDP):

4.1 Executive Summary: Give the Executive Summary of the IDP (Max.500 words):

Government Jamuna Prasad Verma P.G. Arts & Commerce College is situated at NH-130 (old NH-200) in Bilaspur. The college is one of the oldest college of the State as it has its roots in SBR College which was established by Maha Kaushal ShikshanSamiti in 1944 and has come into its present state after facing various transmutations as it was taken over by the Government of M.P. in 1972 and its Science Faculty was segregated in 1986. Since then, it was known as Govt. PG Arts & Commerce College. The Govt. of Chhattisgarh renamed it as Govt. Jamuna Prasad Verma PG Arts & Commerce College in 2008 just to honour an eminent social worker of the region.

The college is presently affiliated to the Atal Bihari Vajpayee University, Bilaspur. It is spread over Approx. 2.82 acres of land, the College is a Multi Faculty (Arts, Commerce, Science, and Management) Co-ed Post Graduate college comprising Govt. financed 8 PG Departments, 6 UG Departments and 4 Self-Financed Departments.

Govt. Jamuna Prasad Verma P.G. College is one of the oldest college of Chhattisgarh. The college intends to serve the youth of the region and the state by providing them access to higher education with quality which may enable them to be fairly competent and competitive in the fields they enter.

The Institution has building to run fourteen programmes. There are two blocks – one has two floors and the other three. There are thirty classrooms. There is one Conference Hall and one Seminar Hall, six UG labs for practicals, two computer labs. The Library of the college is large enough to stack over forty thousands books. It has subscription to N-LIST and provides access to both the teachers and the students. It is partially automated using Open Source KOHA software.

The institute is dedicated to impart education and so a proper plan of curriculum delivery is prepared in the beginning of the session and academic calendar of the university is strictly followed.

The teaching staff of the institute is fully devoted to use modern pedagogical tools to make the learning process more effective. The institute is devoted to improve and explore the knowledge of students. We organize workshop/ seminar/ conference and invited talks by the eminent personalities. The NSS and NCC units conduct various social outreach programmes. The institute is

always dedicated to support its students at maximum level specially the students who are from disadvantaged backgrounds.

There were over 3300 students in last completed session, approx. 89% belongs to ST, SC, and OBC category and all are helped with the scholarship from the Govt. and with the books and stationery articles.

The Institution belongs to Government and follows the orders and circulars of the Government in all matters. It however incorporates its own vision and mission in governance of the academic and administrative affairs keeping in mind the needs of the students and the staff.

The matter related to Placement, Progression to Higher Education and Success in Competitive Examinations needs to be functional

4.2 Need Assessment:

Self-Assessment for Need Analysis

Sl. No.	Particulars	Assessment Inputs
1	Curriculum Excellence	<ol style="list-style-type: none"> 1. Our institute Government J.P. Verma P.G. arts and commerce college is affiliated to Atal Bihari Vajpayee University, Bilaspur. The institute follows the Curriculum provided by the university. 2. Our faculties are involved in the curriculum as the member of Board of studies(B.O.S.) 3. As per the demand of the time there is a need to revise the curriculum in every 3 years . 4. The curriculum must include skill development courses which enhance employability and generate interest among students for learning higher courses.
2	Pedagogical Excellence	<ol style="list-style-type: none"> 1. Traditional method i.e. chalk- board method of teaching exists. 2. Role play, field study ,survey method are also used . 3. To make the teaching more effective more IT enabled classes are required. 4. More numbers of Industrial visits, Excursion tours ,Geographical tours etc will be organized to give students practical knowledge .
3	Academic Administration	<ol style="list-style-type: none"> 1. Daily diary and attendance registers are maintained properly. 2. Students feedback are collected timely. 3. University academic calendar is strictly followed by the institution. 4. External Academic and Administrative audit from external agency is required.
4	Examination Reforms	<ol style="list-style-type: none"> 1. Annual and semester both pattern of examination are followed. 2. The question pattern of examination is objective as well as subjective. 3. Internal examination can be conducted online through learning management system.(LMS) .
5.	Infrastructural Development & Maintenance	<ol style="list-style-type: none"> 1. We have 30 classrooms, 100 seater auditorium, a garden ,botanical garden and rainwater harvesting system. 2. Separate hostel for boys and girls ,multi 36 stations gym ,indoor sports complex, equipped labs. wellness center, 300 seater auditorium and big spacious hall with spacious reading room are required.

		<p>3. E-Library is required for the students and staff.</p>
6	Collaboration/Partnering with Knowledge and skills hubs	<p>1. Political science department has settled M.O.U. with Dr. C.V. Raman university ,Kota(cg)</p> <p>2. Passive attitude in collaborating with industries, hospitals, universities or colleges.</p> <p>3. Incubation center required.</p>
7	Manpower Management	<p>1. Our institution is government administered organization. Manpower is allotted and recruited by the dept. of Chhattisgarh higher education .</p> <p>2. Institution has no power to generate teaching and non-teaching staff in regular mode.</p> <p>3. High students- teacher ratio in institute.</p> <p>4. Insufficient non- teaching staff. Most of non –teaching staffs are appointed by JBS.</p> <p>5. More Faculty Development programs and Training programs for non- teaching staffs are required.</p>
8	Stakeholders Involvement	<p>1. The institute have mechanism of participatory management in academic, administrative and financial affairs by involving teachers, staff, Parents and Alumni &Jan Bhagidari Samiti.</p> <p>2. Registration facility for alumni and parents is required on college portal to serve as a link between the institute and alumni.</p> <p>3. Less contribution received from alumni for development of institute.</p>
9	Legal Compliances	<p>1. Institute has compliance policy and procedures such as women harassment cell, Ant ragging committee, disciplinary committee etc.</p> <p>2. We have well defined code of conduct for students.</p> <p>3. Time to time compliance training is required to teach all the staff and students.</p> <p>4. Time to time compliance training is required to non-teaching staff in view of RTI and stock purchase rules</p>
10	Creating Institutional Brand Image	<p>1 .Institute establishes their brand image by Accreditation and Assessment by NAAC.</p> <p>2. Quality teaching to students are adopted for promoting the institute as center of excellence.</p> <p>3 .Best practices being followed for scoring best during assessment.</p>
11	Research& Development	<p>1. Inspiring the faculties and students for research by principal.</p> <p>2. Institute measured the growth in research and development through participation in seminars and conference.</p> <p>3. Upgrade library and laboratory to meet research requirement.</p> <p>4. More research centers are required in humanities departments.</p> <p>5. Newly appointed faculties should enroll themselves in Ph d. program.</p> <p>6. More numbers of national or international level seminars/workshops/conferences should be organized.</p> <p>7. More involvement in research activities like writing of research paper &projects are required for faculties as well as students.</p>

12	Social out reach programs	<p>1. NSS volunteers frequently visits slum area and old age home.</p> <p>2. Voter Awareness program, blood donation camp, yoga and stress management pr gram, Drug abuses, cleanliness drive to save Arpa river are the programs executed by NSS,NCC,YRC &SVEEP unit of the institution.</p> <p>3. Enable private public partnership by inviting and collaborating with NGO`S are required.</p> <p>4. By re-motivating students for more collaborative interaction between agencies working with a social concern.</p> <p>5.Required multi stages outreach programs for community development by NSS,NCC,YRC.</p>
13	Monitoring and evaluation	<p>1 .IQAC cell monitors internal audit in administration ,academic and in financial sector.</p> <p>2. Green audit, energy audit and A&A Audit by external agencies are required.</p>
14	Effective institutional governance	<p>1.Institution has duly constituted governing body which meets biannually when required.</p> <p>2 . Record keeping and data management in the institute is done in conventional manner.</p> <p>3. The institute required e-governance policy as MIS.</p>
15	Employment / Placement	<p>1. Lack of functional placement cell.</p> <p>2. Lack of collaboration with placement agencies/industries.</p> <p>3. Employment ratio as per the students strength is very less.</p> <p>4. Career guidance and more coaching classes for NET/SET/PSC/VYAPAM examination should be organized in institute.</p>
16	Supporting Students from Disadvantaged Backgrounds	<p>1.Institute provides scholarships for all SC, ST OBC students as per government rules.</p> <p>2. The girls are exempted for paying tuition fees.</p> <p>3.To introduce new courses to make education accessible to more girl students from rural areas and less privileged section of the society.</p> <p>4.self-defense courses organized for girls students required.</p>

4.3 SWOC Analysis:

Provide the details of SWOC analysis carried out (in terms of methodology used, analysis and information - data as collected and inferences derived with respect to strengths, weaknesses, opportunities and challenges).

A. Methodology Used (Max.500 words):

The qualitative expansion and quantitative improvement both are necessary in teaching, keeping in view, feedback from the stake holders has been taken and analyzed. The stake holders of our institution comprises of Janbhagidarisamiti, Alumni association, students and faculties of all departments. The core committee collected the digital feedback from the students and off line feedback from the parents & faculties in the form of departmental plans and various internal cells of the institution. An individual meeting is called by the institution to discuss with the members of Janbhagidarisamiti and Alumni of the institution. After analyzing it thoroughly by I D P Stake holders Feedback analysis committee the strength, weakness, opportunity and challenges of the institution is framed.

B. SWOC Analysis Summary-

Institutional Strength

- S1, The oldest and well known College of the Region and the second oldest of the State.
- S2, The only Multi Faculty Coeducational Government PG Institution of the city. Convenient location at the National Highway.
- S3. Merit based transparent admission process with strict adherence to the policies and norms of the State Government and the University.
- S4. Highly qualified, experienced and dedicated faculty members.
- S5. Students have good image in Academics and Sports,
- S6. A huge building with well-lit and ventilated classrooms and halls.
- S7. NCC, NSS and Youth Red Cross Units for both the boys and the girls and well managed extracurricular activities.
- S8. Facilities for students – Purified drinking water.
- S9. A vibrant NSS wing,

Institutional Weakness

- W1. Inadequate and Irrational set up of Teaching & Non-teaching Staff.
- W2. Lack of e-Library facility.
- W3. Campus placement of students are lacking,
- W4. Insufficient funds to uplift facility for poor students.
- W5. Lack of faculty development & non-teaching staff training programmes.
- W6. Lack of 300 seater Auditorium.
- W7. Lack of hygienic canteen and parking facilities for all students.
- W8. Lack of spacious reading room or vachanalaya.
- W9. Lack of indoor sports facility (like badminton court, multi 36 section gym, modern wrestling mat)
- W10. Lack of major and minor research projects. Inadequate funds to organize faculty development program.
- W11. No alternative energy generating plant in campus. (as solar energy plant)
- W12. Lack of modern teaching learning resources to meet students- teacher ratio such as smart boards and IT enabled class rooms.
- W13. Lack of automation software to manage Administrative, Academic and, Accounting process.
- W14. Lack of centralized computer lab facility.
- W15. Lack of proper fire safety arrangements.
- W16. Lack of functional career guidance cell.

W17. Lack of Hostel Facility for Students.

Institutional Opportunities

- O1. E-library will provide opportunities to students and researchers
- O2. Exploiting its Past Image, Eligible and Talented Learners can be attracted.
- O3. Admitting the Rising Number of Admission Seekers can help in increasing the GER.
- O4. Scope to enhance Research in Humanities and Social Sciences. Possibilities of opening of research centers in various departments such as Commerce, Geography, History, Hindi etc.
- O5. Locally Available Universities and Institutes for Linkage/Collaboration
- O6. Scope for PG Courses in science stream to increase progression of UG science students and attract other students from surrounded area .(MSc in Physics, Chemistry, Botany, Zoology, Mathematics).
- O7. Opportunity to extract and utilize Funds from Community.
- O8. Vast terrace for generating solar energy.
- O9. Build institution's brand image by community services and social outreach activities by NCC, NSS, and YRC.
- O10. Potential to organize placement camp by attracting Local industries or commercial institutions.

Institutional Challenges

- C1. To increase faculty positions to accommodate the rising number of learners.
- C2. To enhance the learning standards, in the limited time frame, of the students coming from poor educational base.
- C3. Continuous need to acquire new and update the available resources and technology.
- C4. To extract more funds from all the funding agencies.
- C5. To formulate policies for providing placement opportunities to Students of traditional Courses

4.4. Future Prospective :

Our institution strictly follows the policies of state government and the guide lines of university grant commission. We will also develop multidisciplinary programs and courses. We will focus less on content coverage and more on skills and experiences that go beyond content. Teaching techniques that rely on transmitting information will thus be obsolete, and the focus in learning will shift to meta skills such as problem solving and collaboration , aided by technology. We can invest in infrastructure and facilities to support technology – assisted teaching and learning. Apart from this, we can also encourage students to develop practical skills and hand- on experience. The role of learning space in the future will evolve along with pedagogy and technology.

4.5 Institutional Goal:

1. To impart knowledge and skills to prepare students for the real world.
2. To conduct interdisciplinary lectures to promote innovation and leadership .
3. Unsurpassed excellence and diversity at all levels.
4. Serve society by addressing the complex problems of the world creatively, passionately and humanely.
5. To inculcate human values by celebrating Anniversaries and Jayanti `s of literary figures, great freedom fighters will be celebrated in more.
6. To develop ethical reasoning among students to critically engage the ethical dimension of thought knowledge and behavior.
7. Achieve top grades to attract better jobs.
8. To develop strong professional network.
9. Develop professional skills applicable to many scenarios.
10. Extension work in existing water supply system.
11. Extension for classrooms in existing composite building.

4.6 Institutional Pedagogical Approach:

Student –centered/ constructivist learning-It highlights the importance of the teachers role as felicitator.

Small group discussion- It allows teachers to work more closely with each student on a specific learning objective.

Debate- It enhances the thoughts of the students and develop their vocal ability.

Role play-It will build confidence among students.

Project based learning- Students will prepare big and meaty projects through which they acquire knowledge, research, think critically, evaluate ,analyze and make decisions. They are created in response to an open ended question. They also relate to real –world problems.

Inter disciplinary lecture-

To inculcate human values among students, various Jayanti`s and anniversaries of literary figures ,freedom fighters and great personalities will be celebrated.

To promote the students towards environment education an awareness campaign of the relation between environment and human life will be organized.

Educational tours , visit to Industry ,visit to language laboratory and collaborate on different environmental related projects students can learn better about environment via practical approach.

Blood donation camp, cyber security awareness , girl education in terms of health and hygiene, green campus drive and many more awareness programs can be arranged in the society /school /village .

To achieve the broad objectives, the Pedagogical Practices and Policies shall be pivoted around the following:

- **Teaching Policy** –We are committed to follow the guidelines of the UGC and affiliated university for the teaching policy.

There is a proper plan of curriculum delivery which is prepared in the beginning of the session and according to the Academic Calendar of the University and the college, academic activities are conducted and evaluated in the first week of the next month. The syllabus and Internal Assessment are completed in stipulated time. The record is maintained in the form of Diaries and Registers.

- **Research Policy** –There are fourteen academic programs running in the college. we will promote and motivate the students of UG and P,G, to inclined towards research. The institute provides facility to attend seminar, conference or workshop. It also encourages the faculties to publish article, journal , book chapter etc. The departments of the college are committed to organize state level seminar ,national seminar ,conferences and workshop to encourage the graduate and post graduate students. Our institution has research centers in three subjects i.e. English, , political science and sociology . We are opportunist and looking forward towards research center in the subjects like commerce ,economics and history etc. The institution also provide duty leave as per the guidelines of University Grant Commission and higher education of Chhattisgarh state. There is a paper in most of the PG programs for research scholar on research methodology and they are properly handled.

- **Community service Policy** –The institute coordinates with the local people along with the college students in local level. They visit local areas, villages and slum area to understand their issues like health and hygiene problem and aware them for population control ,proper balanced diet with maximum intake of millets ,female protection awareness, good touch and bad touch, voter awareness program, drug abuse, Aids awareness program, Vaccination drive, cleanliness drive, pollution control, plantation drive and arrange,blood donation camp etc. and try to eradicate their issues.

- **Management Policy** –The Institution belongs to Government and follows the orders and circulars of the Government in all matters. It however incorporates its own vision and mission in governance of the academic and administrative affairs. Keeping in mind, the need of the students and the staff., there are various committees which are revised at the beginning of each session There is a involvement of students in each committee along with the faculties in the decisions and their implementation. The Policies, Administrative Setup, Appointments and Service Rules and Procedures are not in control of the institution as they are all framed and controlled by the Department of Higher Education. The welfare measures for teaching and non-teaching staff and e-governance related matters are also as per the Government policies and Schemes. The Performance Appraisal System is also as per the Govt. policy. Each year staff has to submit PBAS forms and they are examined, commented and forwarded by the principal to AD to Commissioner to Secretary (Forms of Class-I and II).The external financial audits are conducted by CA annually and by Govt. and AG once in several years. The college asks the deputed committee to conduct internal audit of the accounts at the end of financial year, but it is not taken as formal audit. The Internal Quality Assurance Cell (IQAC) is quite active and efficient in the matters related to it. It was formed in 2017 and since then regular meeting and various activities and programmes have been conducted by it. These committees are consulted in making Strategic / Perspective plans for the college and they are effectively deployed.
- **Social Responsibility Policy** –The promotion of gender equity has been given priority and has been organizing programmes on Gender Equity and Gender Sensitization. The details can be seen in the various programmes organized by the college in the past. The Environmental Concern is also on the priority list of the college. Solid and Liquid wastes are managed adequately with the support of the Municipal corporation of Bilaspur. The Campus is kept clean, green and by conduct in ginternal Green Audit, Planting sustainable number of trees each year. Four pits by CSPDCL under CSR, have been dug for Rainwater Harvesting in the campus. The efforts are being made to install Solar Panels to supplement energy source. The distinctive feature of the Institution is its diversity housing over 3000 students from nearly all walks of society. This is the only Govt. multi-faculty coed institution in the city.

4.7 Strategic Plan:

Based on 4.2, 4.3, 4.4, 4.5 & 4.6, provide the “strategic plan” for institutional development

S.NO.	Area	Plan	Justification
1	Academic	1.Starting New, advance, innovative , relevant and job oriented courses with focus on quality and excellence.	1.After Completion of degree courses students unemployment rate in very high
		2.Introducing new academic departments such as PG in science , BCA skill development courses .	2.Lack of students progression for science stream .
2	Laboratories	setting up of a hi-tech research laboratory for advance research in science and related fields .	1.Lack of major and minor projects in science 2.Lack of modern equipped lab
3	Research	Departmental research center will be started in Hindi, History, Geography, Economics	Lack of imitativeness of faculty and students to take research activities .
4	Infrastructure	Digitilazation of the library and more smart class rooms will be developed and for the betterment of the students reading rooms, auditorium and well maintained gym will be developed .	1.it is very difficult to keep the record of books manually 2. Lack of spacious reading room , well maintained gym and auditorium .
5	Governance	Management information system will be introduced .	Its very tough to keep the records of over 3000 students Manually and very difficult to manage academic and administrative and accounting data .
6	Learning resources	1.Modern pedagogical tools will be introduced to make learning experiences more effective. 2.Preparation of digital study materials as per syllabus .	1.To Facilitate differently abled students and slow learners to meet the learning excellence. 2.Lack of smart class room
7	Students supports	1.Students wellness center will be developed. 2.Conduct subject wise remedial classes of students with special emphasis on weaker section of society /Slow learners . 3. set up of a cell for student support services.	Most of the students are from backward classes . The center will helps them to develop their physical and mental health.
8	Extension Activity	Different types of charitable programme will be organized . The college will constantly promote participation of students and faculty members In socio- friendly extension activities through various cells .	The College aims to develop students emotional quotient through their interaction with various challenges and hurdles faced by the people in the near by community and encourages stakeholders to develop their positive attitude towards life .

❖ How the key activities proposed in the Institutional Development Plan are linked with the results of SWOC Analysis (Max.500 words)

Sl. No.	Specific objectives	Link to SWOT analysis	Expected outcome
1	Open new courses in MSc Zoology, MSc Botany, MSc Mathematics, MSc Physics, MSc Chemistry, BCA,	O6,	Greater access and equity in education, employment and opportunities for growth
2	Enhance the relevance and quality of existing courses by introducing add-on courses-tally accounting, English communication skills radio &TV hardware	W17	Greater employability and provision for students to go on higher studies and research
3	Strengthen the placement cell and improve networking conducting classes for competitive exams and collaboration With local and other industries	W3,O5	More number of students to be employed
4	Address infrastructure requirements-digitalization of the library, science and language laboratories to be set up, Lab upgradation, more than 10 technology enabled classrooms, Girls common room, Boys common room, auditorium and indoor sports room, projectors, computers, Hostel 50 Seat Capacity.	,W2,W6,W8, W9,W12,W14, W17	Quality education through better infrastructure
5	Introduce ICT based instruction, smart classrooms, books, magazines, journals, e-journals, up gradation of reading room , E library.	W2,W12,	Quality education through effective teaching methodology
6	Enable private public partnership by inviting and collaborating with NGOs and other agencies.	O5,O11	Social responsibility, civic awareness and self-reliance among students
7	Organize and attend seminars, workshops, conferences, encourage research projects and publications, provide consultancy services	,W10	Better equipped faculty promoting quality education
8	Office automation, management of admissions and examinations, website up gradation	W13,	e- governance promoting accuracy and efficiency

.....

❖ **State the specific objectives and expected results of proposed plan (in terms of “Institutional Strengthen and Improvements in employability and learning outcomes of Graduates”). These objective and results should be linked to the SWOC analysis (Max.500 words):**

A. Improving employability of graduates: The institution has plans to train students in various employable skills like learning

- Basic English grammar and Communication skills in English,
- Diploma courses in Computer application DCA, Bachelor in Computer Application BCA.
- MSc in (Physics, Chemistry, Botany, Zoology, Mathematics)
- Soft skills and personality development
- Basic ICT ,Entrepreneurial skills and interpersonal skills
- Skills in traditional handicrafts and self-employment,

There are also plans to develop capacity development projects to students so that their employability is increased through add on courses, certificate courses, workshops, seminar etc., Teacher and Students are encouraged to take up research projects and innovative projects.

B. Increased learning outcomes of the students:

In order to increase the learning outcomes of the students the institution has directed all the departments to adapt all measures to improve the results like taking remedial classes for slow learners and taking the help of advanced learners to assist the slow learners.

- Motivational classes are conducted to increase an urge to complete their courses. Attempts are made to increase transition rate and pass percentage of weak students.
- Courses and training to develop life skills and learning abilities.
- Life skills will be organized through various cells.
- Academic skills through tutorial and other means.
- Promotes cultural skills through extra curricular activities
- Field surveys, Industrial visits and study tours will be conducted regularly.
- Project works, periodical seminars, workshops, special lectures, group discussions will be arranged.

The modern pedagogical tools are effective learning. Modern ICT be used more and more to make the learning experience more.

❖ **State the strategic plan to implementation of Students’ centric Teaching Learning methods and catering the status of ‘Slow learners’ and ‘Advance learners’**

(Max.500 words):

Response:

The teachers will be encouraged and advised to make use of innovative teaching-learning practices. Though Majority of the teachers are using student-centric practices for teaching-learning in their classrooms. The traditional ways of lectures by using chalk - board is the most conventional methods. A language lab. was set up to improve the communicative English skills of the students and was in Functional in the past years. Unfortunately, the rains damaged it badly. Now it is being upgraded into Computer Assisted language Lab. PG students will be sent to visit language lab. and study tours by the Departments. The Science and Geography Departments are well equipped for experiments. Practical work will be scheduled in such a manner that the related theory is covered before the practical exams. Computer assisted learning is an integral part of Computer Department. The students of PGDCA and B.Sc. with Computer Science as an elective subject perform projects on software developments during their course of study which are evaluated as a part of their course work. Computer facility will be provided in all the departments of the College.

In addition to conventional methods of teaching, occasional use of OHP and LCD Projectors are also used by the teachers. The Department of English frequently organizes the drama related to the text in the form of Plays or Movies. The whole process is done by the students themselves. Student presentations are part of M.A. Programmes. The mentor from the department forms groups and assigns the topics to be prepared for presentation in the seminars. This is done just to promote participative learning among the students. The students of all UG Courses have to prepare a Project Report on Environmental Studies. Students are given options by their mentors to choose the topics for project works and presentations. Presentations by the students open up opportunity for interacting with the teachers as well as with their peers.

There is a provision of internal assessment through Tests and practical classes for Science Students at UG level and Tests, Seminars and Presentations at PG level as part of their curriculum and these academic activities provide an opportunity to the teachers concerned to be acquainted with the knowledge level of their students. It is observed and taken care of accordingly.

Advanced learners are identified through interactive classroom teaching and classroom discussions. The college also has provision of class tests through which faculties can identify advanced and slow learners. The marks obtained in annual exams will be the final benchmark for identifying advanced learners for the next classes. They will constantly encourage and guide to make improvements in their preparation of courses not only for their regular examinations but also for the competitive examinations which they take in future. Extra support will be given to them to participate in various contests and events which are organized at intra and inter institutional level. Such students will be encouraged to communicate with their faculty members at any time and discuss their problems. They will be given necessary guidance by their teachers. Slow learners will be identified in classroom interactions, oral responses and written tests. Extra attention will be given to such students and study material will be provided to them by teachers for better understanding of the subject. Counseling of such students will be done at departmental level also to resolve study related problems. They will be motivated to use library resources.

Students belonging to economically weaker sections will be given financial assistance by the government under various welfare schemes so that finance may not become a hindrance to their study. Remedial Classes for the disadvantaged sections of society and slow learners were organized in the past and may be conducted in future.

.....

❖ State the strategic plan to integrate the Crosscutting issues relevant to Professional ethics, Gender, Human value, Environment and Sustainability into the Curriculum (Max.500 words):

The Institution adopts curriculum developed by the Affiliating University. The issues related to Professional Ethics, Gender, Human Values, Environment and Sustainability are all parts of the curriculum at UG level and these are taught through the lessons in foundation Course (a paper is there for all the UG Part One students titled Environmental Science and Human Rights). The issues related to Gender, Human Values, Environment and Sustainability are integral part of the courses offered to the Post Graduate students of Sociology, Political Science, Geography, Economics. The students of literature come to learn about these through various texts prescribed in the course. The institution admits boys and girls in all programmes and the units of NSS, NCC and Youth Red Cross and gives equal opportunities to both the sexes without any discrimination. Awareness programmes on Human Rights and Values, Social Justice and Concerns, such as, Health and Hygiene, Social Evils, Women Empowerment, Blood Donation, Consequences of Drug and Alcohol Addiction, Environmental Issues are organized by the various committees of the College as extra-curricular activities and in this way the students are guided to understand the prime values of life. They are sensitized towards developing an understanding for others and are motivated to assist and guide others in their concerns.

.....

❖ State the strategic plan to institutionalizing the Personality development, Soft skill development and Community outreach programs (Max.500 words):

The Institution makes plans of the extension activities as per the calendar of the Government for organizing these activities. The students of NCC, NSS and YRC under the supervision and guidance of the Prof.-in-charge of the Units and cooperation of the staff and other students of the college have organized various extension activities and outreach programmes in the city and surrounding rural areas during the last four years. The Institution organizes programmes through NSS and NCC units of the college to bring awareness and to motivate the community to eradicate the social evils such as drug-addiction, illiteracy, child marriages. Various drives such as Swachhha Bharat, Traffic Rules Awareness, Conservation of Natural Resources ,and health and hygiene are also conducted to promote good habits not only among the community but also among the students Sapling plantations, cleaning of campus, tobacco and plastic free campus and the like are a few activities taken up by NSS and NCC units in the campus to promote environmental awareness amongst students. They also help in maintaining discipline within the campus. The students of the college actively participate in these programmes, visit villages and slum areas and help them. These activities bring the feelings of brotherhood and belongingness to community and provide the opportunities to serve the society and in turn they themselves get sensitized towards various social issue sand make them worthy citizens. The NSS, NCC, Red Cross Units of the college work with a focus on promoting citizenship roles in students. Rallies are organized and Days of National importance are celebrated in the college and the sports persons, NSS and NCC cadets very actively participate in all such events.

1. Our strategy is to push students for more collaborative interaction between agencies working with a social concern and will enable private public partnership by inviting and collaborating with NGO's.
2. A visit to Slum and old age home programme. will be executed.
3. To develop the personality of the students ,resource persons such as IAS,IPS ,CPS,PCS etc. Apart from the mentioned, professional resource persons from reputed coaching institutes and academicians from related field will be invited to impart lecture.
4. To maintain the physical and mental health of the students yoga classes will be arranged .
5. To develop communication skills of students add on course of functional English will be executed.

.....
❖ State the strategic plan to improving the Grade provided by NAAC (Max.500 words):

1. .Implementation of CBCS for flexibility, mobility and inter-disciplinary approach to academic Programmes .
2. Establishing language laboratory, incubation centers is suggested for encouraging students for entrepreneurship.
3. Green audit by external agency needs to be strengthened for inculcating sensitisation towards environment consciousness.
4. Infrastructure must be enhanced in terms of green initiatives.
5. Placement opportunities are required, trainings and career guidance counseling is suggested for better out come.
6. Academic environment must be enhanced for research activities for teachers as well as for students.
7. Teacher student ratio must be improved for better outcomes.
8. Hygienic and subsidized Canteen facility can be initiated.
9. Special classes for NET/SET and other competitive examinations is need of the hour.
10. Adequate and proper parking space for cycles, bikes etc must be created.
11. Communication skills and computer literacy among the students and increased use of ICT in teaching, learning and evaluation process must be adopted.
12. Establishing solar energy to consume electricity.
13. Fire safety arrangements for the institute.

14. Develop more departmental research centers.
15. Focus on experiential and innovative teaching.
16. Community Engagement: Foster partnerships with local communities, industry, and other stakeholders to promote social responsibility and community service.
17. Student Support Services: Provide a range of support services to students, including counseling, health and wellness services, and career guidance.
18. Research and Innovation: Encourage and support faculty members to engage in research and innovation activities and publish their work in reputed journals.
19. Infrastructure and Facilities: Regularly maintain and upgrade college's infrastructure and facilities to provide a safe and conducive learning environment for students.
20. Governance and Administration: to ensure college has an effective governance and administration system in place, with clear policies and procedures for decision-making and accountability

.....

5. DEVELOPMENTAL OBJECTIVES:

(For each heading ,the number of objectives and the list of activities under each objective can be less than or more than three as per plan.)

➤ Curriculum Excellence Objectives

Based on the Needs Assessment undertaken in an earlier section, please define the objectives and the required activities **that these objectives are reasonably attainable considering your institutional capacity and likely funding support**

PEDAGOGICAL EXCELLENCE	
<i>Objective 1</i>	To develop the skill and attitudes of the learners based upon their Previous knowledge.
<i>Objective 2</i>	To Improve the quality of teaching .
<i>Objective 3</i>	To make use of the lessons in practical scenario.

➤ PEDAGOGICAL EXCELLENCE

List the activities required to meet Pedagogical Excellence Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Project Based learning		√	√	√	√	Dr.Mukul Singh	The plan will be monitored by a committee with nodal person as convener. The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period. Efforts will be taken to involve the students in these activities.
2a	To make teaching learning process more effective, will add smart classroom, ICT integrated teaching and trained faculty in innovative teaching methodology			√	√	√			
2b	Public social responsibility based teaching through social workshops		√		√				
2c	We will take students feedback to know about the effectiveness of our tools		√	√	√	√			
3a	Through demonstration		√	√	√	√			
3b	Field study			√		√			
4a	Experimental Methods		√	√	√	√			
4b	Simulation models			√	√	√			

	Academic Administration
Objective1	To provide quality education to students'
Objective2	To maintain standard curriculum and system of education in every faculty which the University offers.
Objective 3	To conduct faculty exchange programs and organize lectures of mutual interest and benefit both at National and International levels.

➤ Academic Administration

List the activities required to meet Academic administration Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1a	1. Academic calendar is being provided by the college in advance before the commencement of the Academic Session.		√	√	√	√	DR. DeepshikhaShukla	The plan will be monitored by a committee with nodal person as convener. The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period. Efforts will be taken to involve the students in these activities.
1b	2. Lessons are provided to students in detail.		√	√	√	√			
1c	Daily Diary writing by the faculties.		√	√	√	√			
1d	Head of the department conducts monthly meetings for course Evaluation .		√	√	√	√			
1e	Attendance is marked daily, students falling short of attendance are notified through college notice board.		√	√	√	√			
1g	Students feedback ,Self-Appraisal by faculty.		√	√	√	√			
2a	Updated learning tools			√	√	√			
2b	Modernization of class rooms for MOOCS				√	√			
2c	Tutoring by senior students			√	√	√			
3	Faculty Development Program		√		√				

	Examination Reforms
Objective1	To Improve fairness and objectivity in the result process and procedure.
Objective2	Laying down norms for continuous comprehensive Internal evaluation.
Objective 3	To lay down modalities for semesterisation and modularization

➤ Examination Reforms

List the activities required to meet Examination reforms Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Internal Examinations through Google forms /user id based LMS		√	√	√	√	Dr.S.K. Tiwari	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period. Efforts will be taken to involve the students in these activities.
2	Through participatory approach in the finalization of marking schemes.			√	√	√			
3	Semester system			√	√	√			
4	Adoption of better data systems to provide college, teachers, and parents , with information about student progress.			√	√	√			

	INFRASTRUCTURAL DEVELOPMENT & MAINTENANCE
Objective1	To improve students outcomes.
Objective2	To facilitates better instruction.
Objective 3	To reduce dropout rates.

➤ INFRASTRUCTURAL DEVELOPMENT & MAINTENANCE

List the activities required to meet Infrastructural development & maintenance Objectives

Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Infrastructure expansion for disabled students.			√			Dr.A. Tirkey	The plan will be monitored by a committee with nodal person as convener. The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period. Efforts will be taken to involve the students in these activities.
2	Introduce system for Institutional INFLIBNET use.		√						
3	Integration of technology and digital tools in both teaching and learning /Instrumentation facility.		√	√	√	√			
4	Maintenance Committee is formed for the monitoring mechanism and maintenance system will be hired.		√						

	Partnering with knowledge hubs –
Objective1	To improve global engagement and mobility of students .
Objective2	To Improve intellectual level of students .
Objective 3	To Explore the knowledge of students .

➤ Partnering with knowledge hubs –

List the activities required to meet Partnering with knowledge hubs Objectives

Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	An optimum grant for the students to participate in various academic events like GIAN.			√			Dr.M.K.Pandey	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	We will organize students research internship in science subjects .				√				
3	We will organize workshops / seminars / conferences and regular lectures by eminent personalities from different walks of life.		√	√	√	√			
4	Joint publications with networked research and academic institutes.				√	√			

	Automation and Information Technology
Objective1	To facilitate the students to get every information about them just in one click.
Objective2	To facilitate the administration of the college to get all the information about its staff.
Objective 3	To Explore all the activities happening inside the college .
Objective 4	To facilitate individual training.

➤ Automation and Information Technology

List the activities required to meet Automation and information technology Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Students and faculty registration on“SWAYAM PORTAL”		√				Mr.KaushalBanjare	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	Software will be developed for admission system , class attendance , online notes and notice board .		√						

STAKE HOLDERS INVOLVEMENT	
Objective1	Effective decision making
Objective2	To make a transparent decision process.
Objective 3	To achieve overall development of the institute.
Objective 4	Setting the provisional curriculum . (i.e. What students will learn in each grade and subject)

➤ STAKE HOLDERS INVOLVEMENT

List the activities required to meet Stake holders involvement Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	By Organizing a well-established participatory management mechanism. Parents, teachers, alumni and janbhagidari members will be involved in the above committee for planning of academic administrative and financial affairs and their implementation.		√				Dr.K.K.Agrawal	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	By introducing tutor for guardian scheme in our committee for enhancing participatory management in academic, administrative and financial affairs by involving parents .			√					
3	Registration facility for alumni and parents will be available on college portal to serve as link between the institute and alumni .				√				
4	Periodic meeting of parents ,students and teachers.		√	√	√	√			

	MAN POWER MANAGEMENT –
<i>Objective1</i>	To ensure optimum use at available manpower
<i>Objective2</i>	Forecasting of the future requirements.
<i>Objective 3</i>	Smooth execution of activities of an organization / Institution .
<i>Objective 4</i>	To support faculty and staff in achieving their day to day goals.

➤ MAN POWER MANAGEMENT –

List the activities required to meet Man power management Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
<i>1</i>	Regular training and counseling program.			√			Dr.Savitri Tripathi	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
<i>2</i>	By introducing vocational education and training for developing skills.		√						
<i>3</i>	By establishing HRD department / committee.			√					
<i>4</i>	By using grievance redressal mechanism.		√						

	LEGAL COMPLIANCE –
Objective1	To ensure adherence to government regulations and laws .
Objective2	To facilitate the college’s compliance with all relevant legislation and reduce any risk at non- compliance.
Objective 3	To develop a healthy culture of compliance and compliance behaviors

➤ LEGAL COMPLIANCE –

List the activities required to meet Legal compliance Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	By creating extensive compliance policies and procedure anti- sexual harassment cells like-Anti-ragging cell, Women cell Disciplinary committee.		√				Dr.K.K.Bhandari	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	Well defined code of conduct for students .		√						
3	With the help of effective technology like email archiving solutions will help us and ensure that our e mail records are properly stored and tamper proof and will be able to keep track of our communication records.			√					
4	Time to time compliance training and education program will organized to teach all the staff and students about new tools and technological solutions.			√	√	√			

	CREATING INSTITUTIONAL BRAND IMAGE / RANKING
Objective1	To enroll more students .
Objective2	To establish leadership.
Objective 3	To increase student's loyalty.
Objective 4	To strengthen the institution by enhancing the existing capacity .

➤ CREATING INSTITUTIONAL BRAND IMAGE / RANKING

List the activities required to meet Creating institutional brand/image Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Develop Strategic value propositions.			√			Dr. Maya Yadav	The plan will be monitored by a committee with nodal person as convener. The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period. Efforts will be taken to involve the students in these activities.
2	Create a strong visual identity.				√				
3	By doing more valuable activities through NCC, NSS		√	√	√	√			

	EMPLOYMENT-
Objective1	To make career of every student .
Objective2	To make every student financially independent .
Objective 3	To increase self-confidence of students and make them self-dependent.

➤ EMPLOYMENT-

List the activities required to meet Employment Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Establishing start – up cell / club with participation of students			√			Dr. Satish Dubey	The plan will be monitored by a committee with nodal person as convener. The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period .Efforts will be taken to involve the students in these activities.
2	Expert lectures promoting innovation, motivation of students through local entrepreneurs.		√						
3	Encouraging the students to take summer internship in industries.				√	√			
4	Basic English Grammar and communication skills in English.			√	√	√			
5	By conducting classes for competitive exams and collaboration with local and other industries.		√	√	√	√			
6	Introducing placement facilities in campus.			√	√	√			
7	Mock interview sessions will be organized.				√	√			

RESEARCH AND DEVELOPMENT	
<i>Objective 1</i>	To develop innovation skill in students.
<i>Objective 2</i>	To Provide latest information to students.
<i>Objective 3</i>	To develop problem solving skill in students .
<i>Objective 4</i>	To inspire students to acquire knowledge more effectively.
<i>Objective 5</i>	To promote world class research of local relevance to society .

➤ RESEARCH AND DEVELOPMENT

List the activities required to meet Research and Development Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Organize seminars and workshops to provide introduction about research methods and techniques to both students and teachers.		√	√	√	√	Dr.Deepshikha Shukla	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	Up- grade library and to meet research requirements.			√					
3	With a research community of professors, research fellows and research centers, expand the scale, quality and multi-disciplinary character of research activities.				√				

	SOCIAL OUTREACH PROGRAMMES
<i>Objective1</i>	To improve social responsibility and awareness in the students .
<i>Objective2</i>	To develop social values in students .
<i>Objective 3</i>	To create accessibility and equity to outreach aspiring learners from all layers of society .

➤ SOCIAL OUTREACH PROGRAMME

List the activities required to meet Social outreach programmes Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	By pushing students for more collaborative interaction between agencies working with a social concern.		√	√	√	√	Dr.Vandana Tiwari	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	Enable private public partnership by inviting and collaborating with NGO' S.			√		√			
3	By NSS camp, slum visit, old age home visit program will be organized.		√	√	√	√			

MONITORING AND EVALUATION	
Objective1	To flawless implementation of the system.
Objective2	To improve quality of institute in every respect.
Objective 3	To know merits and demerits of the current monitoring and evaluation system.

➤ MONITORING AND EVALUATION

List the activities required to meet Monitoring and evaluation Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	Introduction of daily performance report for students will be introduced .			√			Dr.S,K.Tiwari	The plan will be monitored by a committee with nodal person as convenor.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	Institute will conduct different audit committee like green audit , energy audit , financial audit.		√						
3	Through IQAC cell internal monitoring and evaluation will be done.		√						
4	Monthly meeting will be organized by IQAC.			√	√	√			

	SUPPORTING STUDENTS FROM DISADVANTAGED BACKGROUNDS
Objective1	To include them in main stream.
Objective2	To make the path of education more easier for students for disadvantaged groups.
Objective 3	To make them more confident.

➤ SUPPORTING STUDENTS FROM DISADVANTAGED BACKGROUNDS

List the activities required to meet Supporting students from disadvantaged backgrounds Objectives									
Objective (Number)									
Sl.	Activity	Y1	Y2	Y3	Y4	Y5	Nodal person	Monitoring & Evaluation Plan	Sustainability plan
1	By increasing enrollment of students belonging to the marginalized sections including SC, ST and Minority groups .		√				Dr.Jaishree Shukla	The plan will be monitored by a committee with nodal person as convener.The allocated fund for this plan will be utilized strictly as per guidelines	The college will take initiatives for sustainability of the activity for complete plan period.Efforts will be taken to involve the students in these activities.
2	Building up on our strengths, introduce new courses to make education accessible to more woman students from rural areas and less privileged sections of the society.			√					
3	Scholarships forAll SC, ST, OBC students.		√	√	√	√			

6. ACTION PLAN(Planning and execution strategy, max. 500 words for each):

- Concern to each plan as mentioned above in 4.7

6.1 Provide an action plan for organizing program and for improving the academic performance of SC/ST/OBC/academically weak students through innovative methods, such as Remedial and Skill Development classes for increasing the transition rate and pass rate with the objective of improving their employability.

A separate data or list should be prepared for SC/ST/OBC students. Weak student should be further identified. Extra efforts or remedial coaching should be conducted for SC/ST/OBC.

Career and counseling should be provided so students have clarity about direction they pursue. Awareness should be provided to them about competitive exams and if possible conduct classes. Coaching for NET/SET for SC / ST/ OBC & Minorities can be provided.

We also design remedial measures to improve communication skills through group discussions. Should be imparted special coaching to improve personal interview techniques. Identify skill gap, motivate students, develop industries specific skills.

Yoga classes can be conducted to improve health and mental wellbeing.

Action Plan

S.No	Programs	Time in Months/weeks	2023-24				2024-25				2025-26				2026-27			
			Qtr. 1	Qtr. 2	Qtr. 3	Qtr. 4	Qtr. 1	Qtr. 2	Qtr. 3	Qtr. 4	Qtr. 1	Qtr. 2	Qtr. 3	Qtr. 4	Qtr. 1	Qtr. 2	Qtr. 3	Qtr. 4
1	Remedial Class	4 Months				√	√			√	√			√	√			√
2	Skill Training	4 Months		√				√			√				√			
3	Personality Development	2 Months			√				√			√					√	
4	Competitive Exams Coaching	4 Months			√	√			√	√			√	√			√	√
5	Coaching for NET/SET exam	4 Months		√	√			√	√			√	√			√	√	

6.2 Provide an action plan for strengthening of PG programs and starting of new PG programs.

Our college has already PG courses like M.A. English ,Hindi and M. Com. and some of subjects of Arts as Political science, Economics, Geography,History and Sociology.The following measures will be taken to improve the standards of PG programs.Infrastructure and man power is the primary need to start new PG programs. Infrastructure will be enhanced and new classrooms will be proposed to construct to start new streams as M.Sc. in Zoology, Botany, Chemistry,Physics,and Chemistry. Subject experts will be recruited to cope with new PG programs. Campus drives will be arranged to attract more PG students. Smart classroom will be set up with all modern amenities. Independent computer and language laboratory will be set up.

6.3 Attach a summary of Training Needs Analysis carried out. Also, provide Faculty Development Plan for the first 18 months for improving their teaching, subject area and research competence based on Training

Needs Analysis in the following areas:

Experts from other institution will be invited on regular basis for training our faculty on basic and advanced Pedagogy. MOU will be entered with Good institution for such activity and will actively followed. Establishing linkages with academic and research institutions and industry will improve competence in research and new techniques. Refresher courses will be encouraged for Improving competence in teaching. Training on UGC and University Act will be conducted. Seminars, conferences and presentation of research papers will our faculty up-to-date. Development of modern learning resources and teaching aids will be done.

Action Plan

S.No	Nature of Training	Months/ weeks allotted	2023-24				2024-25				2025-26				2026-27

6.5 Describe the relevance and coherence of Institutional Development Proposal with State's/National(In case of CFIs) Industrial/Economic Development Plan –

- Need for quality achievement, providing infrastructural support and modernizing administration as the primary concerns
- The objective of the proposals should cater to the requirement of the State so that the inputs of the institution could benefit the region.
- It should confirm to the Government objective of higher education to improve GER and align with the States and Regional economic development plan.
- Achieving social justice and social equity through higher education
- Empowering students to become responsible citizens
- Empowering women and the marginalized through higher education

6.6 Describe briefly the participation of departments/faculty in the IDP preparation.

Action plan are made for the proper co-ordination with faculties of various departments. A proper integrated and co-ordination mechanism with different committees will be made. The steps involved in arriving at the proposal are as follows.

- A brainstorming session organized by IQAC to conduct the SWOT analysis.
- Student feedback constitutes a crucial component in the SWOT analysis.
- Parents feedback also constitutes a crucial component in the SWOT analysis.
- Having identified the key areas, objectives for the Institutional Plan arrived at in discussion with the faculty.
- Library and Sports department provide Feedback to prepare plan .
- NSS,NCC&YRC department also provide Feedback to prepare plan.
- Various cells such as womens harassment & grievance cell & Career guidance cell also provide Feedback to prepare plan .
- Administrative staff support is taken at specific points during the preparation of the plan.

6.7 Describe the Institutional plan implementation arrangements with participation of faculty and staff-IMPLEMENTATION PLAN

Based on the analysis and discussions with the core committee and other members, Institutional level bodies were formed and the project responsibilities assigned to each bodies. The detailed function of each bodies are as below.

Project Nodal Officers.

- Policy decisions are taken
- Various committees are form, guide and supervise,
- Proper utilization of project fund is ensured and timely submission of reports.
- Transparency and accuracy is maintained in monitoring progress

Institutional RUSA Unit/UGC Unit.

- This will operate for procurement of Goods, Works and Services,
- Financial Management,
- Implementation of faculty and staff development activities and Programs.
- Achievement of targets and Monitoring audits.

7. PLAN BUDGET

Provide an Institutional plan budget as per table below:

(Rs. in Lacks)

Sl. No	Activities	Project Allocation	Financial year				
			2022-23	2023-24	2024-25	2025-26	2026-27
1	Infrastructure						
	1. Campus development: New construction of additional Class rooms /Laboratory /Library/Hostel/Common room etc.

	GRAND TOTAL	1186.46		906.65	114.98	91.00	73.83

8. PLAN TARGETS FOR INSTITUTION:

8.1 Give an action plan for ensuring that the project activities would be sustained after the completion of the Project (max. 500 words)–

Keeping in view of institutional stability and institutional requirement, the institutional development plan has been designed, planned and developed. The institute needs wise students and excellent faculty in all streams who are committed and willing to do excellent work in the field of higher education ..

The Viability of carrier oriented course will be implanted so that after the completion of these course students can achieve their goal .

Skill oriented and job viable course may attract participants from outside and will add in financial resources for their sustenance .

Research activities can be carried out by institute equipment or may be provided from funding agencies like U.G.C& RUSA . The research facility created could be extended to the other scholars and if they are willing to use the facility can be extended on payment basis.

To sustain activity plan, research and development activities like workshop , training programmes for faculties and Faculty development program will be conducted time to time.

Further if the plan is continued for the next five year , definitely we assure for the better plans towards better prospectus of the college. We also try to bring Autonomous status to the college By Constituting various committee for various type of work where teaching and non –teaching staff shall be put in for performing various function as per need and directive shall be given by principal.

For meeting our recurring maintenance expenditure, college will manage its funding through its self- finance and Janbhagidari Samiti, where sufficient funds are available.

For meeting our requirements institute will manage funds through.

1. Funds generated as contribution for development of college from Alumni.
2. Funds will be collected through local administration such as Corporate Social Responsibility (CSR) Funds or District mineral fund (DMF).
3. Funds will be collected through local area development funds of honorable members of Legislative Assembly (MLA) & honorable Members of Parliament (MPS).
4. Funds collected for development of institution through Local industries or entrepreneurs.
5. College makes efforts for development of institute to get various amenities in premises for students through PPP(PUBLIC PRIVATE PARTNERSHIP).

8.2 Provide the feasibility and sustainability of the Plan targets for Institution: (max. 500 words) –

Feasibility and sustainability of the plan targets

A Feasibility is an easement of the practically of a proposed plan Our College is situated in the heart of city , Approximately 3000 students study in the college. We require 300 seater seminar hall for students to organize any literary program. After completing their under graduate classes from science stream it is essential to open post graduate classes in Physics , Zoology , Chemistry, Botany and Mathematics . To cope up in the digital world and teach the students in smarter way smart board , Wi fi / Net connectivity enabled in whole college campus is also required .

In our college library, limited books are available but for comprehensive and competitive study of any subject e- Library facility is a need. For research work journals and e- journals play vital role amongst the researchers and scholars.

A separate well-furnished common room for girls (with vending machine and incinerator) and boys are needed to provide facility to the students who come from every sphere of the city.

We can generate another alternate source of energy. Solar panels can be implanted for Illuminating and other purpose too. Meditation and Yoga room to relax and keep us healthy is also essential .To provide sports facility to our state and national level players 36station gym ,wrestling mat, proper badminton court and other necessary sports equipment are required.

To make our campus green and provide green and healthy atmosphere in the college a green lush garden will be maintained

We can also upgrade solid, liquid waste and chemical waste management.

9.FINANCIAL AND BUDGETARY SUSTAINABILITY:

The institute acclaims to own meritorious students and excellent faculty in all streams who are committed and willing to strive for excellence in the field of higher education.

To meet our recurring maintenance expenditure, college will manage its funds through its self-finance ,JanbhagidariSamiti, where sufficient funds are available .In furtherance, the Proposed courses in science, such as Post Graduate degree in Chemistry ,Physics ,Botany ,Zoology , Mathematics and in the department of Computer Science BCA ,DCA are high-end courses which can act as nodal center to provide facility to various organizations and private agencies to seek assistance and output for their own work. This can enable Institute to levy required amount of fees and charges, can generate funds for the maintenance and sustenance of the projects.

The sustainability of a project also depends upon its environmental dimension, because anything that brings negative impact on the environment is not considered sustainable. The IDP therefore, takes care to keep the campus safe, clean and green through its projects.

The proposed ultra-sophisticated Central computer Lab would invite a lot of researchers to avail its services resulting in acquiring financial assistance for its recurring expenditure and further maintenance.

Skill Oriented and Job viable courses may attract participants from outside and will add in financial resource generation for sustenance.

Apart from these,.

For meeting other requirements institute will manage funds through..

1. Alumni of the college. .
2. Through local administration such as Corporate Social Responsibility (CSR) Funds or District mineral fund(DMF).
3. Through local area development funds of honorable members of Legislative Assembly (MLA) & honorable Members of Parliament(MPS).
4. Through Local industries or entrepreneurs.
5. College will make efforts for development of institution to get various amenities in premises for students through PPP.(PUBLIC PRIVATE PARTNERSHIP)

EVALUATION OF INSTITUTIONAL DEVELOPMENT PLAN (IDP)

Sl. No.	Evaluation Parameters	Total	Marks Obtained
1	Institutional Preparedness and Implementation Feasibility		
A	Clarity of institutional basic information including baseline data		
B	Overall proposal implementation feasibility		
	1 Clarity in the identification of general development objectives, related specific objectives, their expected results, and its coherence with SWOC analysis		
	2 Have the key activities been identified clearly and adequately for each specific-objective		
	3 Adequacy of the Institutional Project Implementation arrangements		
C	Quality of SWOC analysis		
	1 Appropriateness for the procedure adopted for the conduct of SWOC analysis and adequacy of participation of stakeholders		
	2 Clarity in the identification of strengths, weaknesses, opportunities and threats		
D	Coherence of proposal with State's /Regional development plan		
E	Reasonability of proposed budget		
	Sub-total (1)		
Sl. No.	Evaluation Parameters	Total	Marks Obtained
2	Clarity and Quality of the Action Plans for:		
A	Scaling-up research and innovation		
	1 Quality of action plan for quantitatively increasing qualitatively		
	2 Quality of action plan to transfer technology and for commercialization of		
	3 Scaling up Ph. D. enrollment through existing and new programs		
	4 Scaling-up enrollment in to UG/PG Programs in existing and new ones.		
B	Research Collaborative activities with institution at National and International level		
	1 Identification of options to improve and increase research collaborations at National and International level		
	2 Clarity in identification of expected quality enhancement in Masters and Potential impact and depth of proposed Industry collaboration		
C	Faculty Development including pedagogical training to:		
	1 Develop faculty/technical staff in subject domain		
	2 Improve pedagogical skills of faculty for better student learning.		
D	Identification of weak students and for improvement in their learning.

Section I: GENERAL INFORMATION

1. Name & Address of the institution:	GOVT. JAMUNA PRASAD VERMA P.G. ARTS AND COMMERCE COLLEGE, BILASPUR, CHHATTISGARH BILASPUR Chhattisgarh 495001	
2. Year of Establishment	1986	
3. Current Academic Activities at the Institution (Numbers):		
Faculties/Schools:	3	
Departments/Centres:	13	
Programmes/Course offered:	13	
Permanent Faculty Members:	27	
Permanent Support Staff:	14	
Students:	3040	
4. Three major features in the institutional Context (As perceived by the Peer Team):	1. Only multi faculty co-Ed. Govt. PG College of the city 2. Catering to the students from rural areas and socially, economically weaker section of the society 3. Overall consistency in good academic performance	
5. Dates of visit of the Peer Team (A detailed visit schedule may be included as Annexure):	From : 05-04-2022 To : 06-04-2022	
6. Composition of Peer Team which undertook the on site visit:		
	Name	Designation & Organisation Name
Chairperson	DR. RAMESH KUMAR PANDEY	Vice Chancellor, Ranchi University
Member Co-ordinator:	DR. POORAN KAVIDAYAL	Dean, Kumaun University
Member:	DR. NP SINGH	Former Principal, MEERUT INSTITUTION
NAAC Co - ordinator:	Dr. Priya N	

Section II: CRITERION WISE ANALYSIS

Observations (Strengths and/or Weaknesses) on each qualitative metrics of the key Indicator under the respective criterion (This will be a qualitative analysis of descriptive nature aimed at critical analysis presenting strength and weakness of HEI under each criteria)

Criterion1 - Curricular Aspects (Key Indicator and Qualitative Metrics(QIM) in Criterion1)	
1.1	Curricular Planning and Implementation
1.1.1 QIM	The Institution ensures effective curriculum delivery through a well planned and documented process
1.1.2 QIM	The institution adheres to the academic calendar including for the conduct of CIE
1.2	Academic Flexibility
1.3	Curriculum Enrichment
1.3.1 QIM	Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum
1.4	Feedback System

Qualitative analysis of Criterion 1

Government Jamuna Prasad Verma PG Arts and Commerce College Jarhabhata, Bilaspur is affiliated to Atal Bihari Bajpayee University Bilaspur and included in 2(f) and 12B of UGC Act. The College has accredited by NAAC with A grade in the second cycle. It has been observed that the college provides higher education to the socially under privileged and financially weaker students.

The college follows the syllabi and curriculum prescribed by the Atal Bihari Bajpayee University Bilaspur to which it is affiliated. However, the faculty members of the college are the members of university bodies such as BOS, Academic Council, and contributed in the curriculum design and development. Total 05 UG, 08 PG and one PGDCA programme are run by the college. The academic calendar for various academic and extra-curricular activities are prepared and communicated to the college by the Department of HE and the affiliating University. In consultation with heads of the departments, the college prepares Academic Calendar and every teacher prepares Academic Action Plan accordingly. Along with curricular, the co-curricular, extra – curricular and extension activities are scheduled well in advance. The institution ensures the effective implementation of the curricula and observes the completion of course from time to time. The CBCS pattern of teaching and learning is yet to be implemented for students to opt for various courses. For holistic development of the students the college should initiate collaborative programmes and introduce skill oriented add on/Certificate courses. During the period of COVID the faculty members are adopting ICT based method of teaching. To expose the learners to recent changes, study tours, project work, and field visits are arranged by the college for PG students. Number of courses that include experiential learning is eight.

To sensitise students with the cross cutting issues relevant to gender, environment and sustainability, human values and professional ethics, the college needs to provide practical exposure to the students in these areas by way of projects, lab sessions and include the same in internal assessments. Feedback is obtained from stakeholders on curriculum and its transaction. The feedbacks are collected, analysed and submitted to the Principal to take suitable action as per the requirement. However the feedback system is to be strengthened scientifically.

Criterion2 - Teaching-learning and Evaluation (Key Indicator and Qualitative Metrices(QIM) in Criterion2)	
2.1	Student Enrollment and Profile
2.2	Catering to Student Diversity
2.2.1	The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners
QIM	
2.3	Teaching- Learning Process
2.3.1	Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences
QIM	
2.3.2	Teachers use ICT enabled tools for effective teaching-learning process.
QIM	
2.4	Teacher Profile and Quality
2.5	Evaluation Process and Reforms
2.5.1	Mechanism of internal assessment is transparent and robust in terms of frequency and mode
QIM	
2.5.2	Mechanism to deal with internal/external examination related grievances is transparent, time- bound and efficient
QIM	
2.6	Student Performance and Learning Outcomes
2.6.1	Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.
QIM	
2.6.2	Attainment of programme outcomes and course outcomes are evaluated by the institution.
QIM	
2.7	Student Satisfaction Survey

Qualitative analysis of Criterion 2

The students' enrolment process is based on merit. The strength of the students is 3040 for the academic year 2020-21 out of which 2762 students are from reserve categories. The process of identification of slow learners and advanced learners is based on the marks obtained in class tests and annual examinations. Moreover, attempts are made to enhance the performance of slow learners through counselling by teachers. Teachers also provide study/library materials to them. Arrangements made through counselling and mentoring on one-to-one basis has to be streamlined to fill the learning gaps. Student teacher ratio is 112:1. Total number of permanent teaching faculty is 27. The average percentage of full time teachers against sanctioned post is 73 %. The strength of the temporary/ guest faculty is six. The teachers are familiar with Learning Management Systems. ICT facilities and e-resources are to be made available in each department for the benefit of teachers and students.

The college is having 8 ICT enabled class rooms. Reprographic facility is available in the library. The institution has a large scope to adopt innovative teaching methods based on ICT and intensive participation from faculty and students. IQAC may further concentrate on Capacity building initiatives by encouraging faculty and students to actively participate in online certification programmes. Out of 27 regular teachers, 24 teachers are with Ph.D. degree. Permanent teacher recruitment process is as per the government norms and the Temporary/part-time teachers are selected by the college on merit basis. Evaluation process framed by the affiliating University is followed by the college. Continuous evaluation and internal assessment of 20% is in practice at PG level and 10 % at UG level. Transparency has been assured in Internal Assessment by displaying marks on notice board for student clarification. There has also been a provision for re-test for absentees and improvement test/assignment. Grievances regarding evaluation of answer books of the semester end examination are redressed directly by the affiliating university. Scope for retotalling, availability of photocopy of assessed answer sheets and revaluation system exists at the university level.

It is not clear if the programme specific outcomes and courses outcomes are displayed on website or how they are communicated to the students. Distinction needs to be made between programme outcomes POs and programme specific outcomes PSO. Detailed analysis may be made continually to improve the teaching learning process. Assessment and mapping of PO, PSO and CO needs to be properly developed in a systematic manner. Average pass percentage of the final year students is 92.85%. Student satisfaction survey may be strengthened and conducted with more rigour.

Criterion3 - Research, Innovations and Extension (Key Indicator and Qualitative Metrics(QIM) in Criterion3)

3.1	Resource Mobilization for Research
3.2	Innovation Ecosystem
3.2.1 QIM	Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge
3.3	Research Publications and Awards
3.4	Extension Activities
3.4.1 QIM	Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.
3.5	Collaboration

Qualitative analysis of Criterion 3

During the last five years seven teachers have been recognised as guides for research and six students are registered for Ph.D. Number of Ph.D. degree holders among full time teachers is 24 and there is no completed or ongoing funded research project. During the last five years, the faculty members of the college have published 10 research papers and organised only one seminar/ workshop. Teachers have also contributed in books, chapters and contributed papers on a small scale in conferences. More initiatives are needed from faculty members on attending seminars, conferences, refresher and orientation courses for creation and transfer of knowledge in new era. The research committee has a large role to play in creating a research environment and in motivating teachers and students to undertake research projects. The faculty needs to be familiarised about the intellectual property rights.

Extension activities are carried out by NSS, NCC and YRC units. These units take the responsibility of community based activities and organise programmes such as Anti-alcohol awareness, Blood Donation camps, Swatch Bharath Abhiyan related activities, Rally against Violence and Safety, rural development and activities for children with special needs. However, the percentage of students participating in extension activities is low.

The college may create an ecosystem for innovation by planning an incubation centre for creation and transfer of knowledge and also focus on indigenous practices of identifying and solving the problems by various industries at the local level. Collaboration needs to be developed with academic institutions of higher learning and to industries for exposure to new dimensions in emerging field to the students and to teachers as well. During the entire assessment period the college does not have any functional MoU.

Criterion4 - Infrastructure and Learning Resources (Key Indicator and Qualitative Metrics(QIM) in Criterion4)	
4.1	Physical Facilities
4.1.1 QIM	The Institution has adequate infrastructure and physical facilities for teaching- learning, viz., classrooms, laboratories, computing equipment etc.
4.1.2 QIM	The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.
4.2	Library as a Learning Resource
4.2.1 QIM	Library is automated using Integrated Library Management System (ILMS)
4.3	IT Infrastructure
4.3.1 QIM	Institution frequently updates its IT facilities including Wi-Fi
4.4	Maintenance of Campus Infrastructure
4.4.2 QIM	There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Qualitative analysis of Criterion 4

The college has adequate physical infrastructure for teaching and learning to cater to the needs of existing programmes. It has six acres of land and has three buildings- Main building, new building and old building. The seminar hall, common room for staff, and girls, Semi Automated Library, Administrative Block, Science Laboratories, and Computer Laboratories etc are available in the college. Science laboratories are moderately equipped for routine kind of laboratory exercise. No Hostel facility for students. The college is having 27 classrooms out of which 8 are ICT enabled. Significant portion of the budget is utilized for augmentation of infrastructure. 13 LCD projectors and WiFi facilities are made available for the stakeholders of the college. The college is equipped with CCTV. The computer lab is well equipped with 48 computers. The college is having 73 computers for academic purpose. Student -computer ratio is low and needs to be improved. The college has internet connection with bandwidth of 50 MBPS with limited wifi facility. All staff rooms have internet facilities and Floor wise Wi-Fi facility available. However, facilities such as interactive boards, display boards, timely up gradation of IT facilities and different educational softwares need to be improved. For uninterrupted power supply 20 KV Generator is installed. It is suggested that college must take some initiative to establish a central facility where modern equipment can be housed. This facility could be utilised for research purpose and other innovative activities by students and teachers.

During 2020-2021, the college has utilized Rs. 111 lakh for infrastructure augmentation. The total number of books in the library is 37000. To ensure e-learning facilities, the college has subscribed e-journals and shodh Sindhu. Average number of walk in per day in the library is low. The library is partially automated with open source software Koha. The average annual expenditure on the purchase of books and journals in the library is about Rs.1.8 Lakh. The institute is having well equipped Gym facilities. The institution has a large play ground where provision for outdoor sports facilities may be created. In addition to this, there is one indoor sheet roofed yard with a stage for organising cultural activities. The maintenance of physical infrastructure like building, ground and electric fittings is done by the PWD of the Government. A sports committee is appointed for maintenance and utilization of all the sports facilities/ activities. For maintenance of other infrastructure the college hires outside agencies. AMC system should be introduced.

Criterion5 - Student Support and Progression (Key Indicator and Qualitative Metrics(QIM) in Criterion5)	
5.1	Student Support
5.2	Student Progression
5.3	Student Participation and Activities
5.3.2 QIM	Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities following duly established processes and norms (student council, students representation on various bodies)
5.4	Alumni Engagement
5.4.1 QIM	There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Qualitative analysis of Criterion 5

Students from socially and economically backward class are given scholarships and free ships. For the assessment period the average number of reserved category students benefitted by scholarships and freeships by the Institution, Govt. and non Govt. bodies etc is 2170 (72.15%). Capacity building and skill enhancement, guidance for competitive examination and career counselling initiatives are to be taken seriously. College has a transparent mechanism for redressal of students' grievances including sexual harassment and ragging cases. Mechanism for submission of online (on college website) and offline students' grievances also exist in the college. Placement record and qualifying for national level examination data is not encouraging, it needs extra attention and efforts. Progression to the higher education is only 6 percent. During the assessment period the students received 28 awards for outstanding performance in sports and cultural activities.

The college is having students' council framed by representation from each class. It is formed on the basis of direct elections by the electoral roll of students. The elected student representatives help the mentors to lead the class in organizing extension activities. The representation to students into various bodies and committees of the college is also given. However, the details regarding minutes of the meetings of students' council are not mentioned. Canteen facility may be revamped as per the needs of the students. Alumni Association is registered in the year 2021. Contribution by Alumni Association is Rs. one lakh. Strengthening of alumni base, documentation of activities and making alumni association more functional will benefit the students.

Criterion6 - Governance, Leadership and Management (Key Indicator and Qualitative Metrics(QIM) in Criterion6)	
6.1	Institutional Vision and Leadership
6.1.1 QIM	The governance of the institution is reflective of and in tune with the vision and mission of the institution
6.1.2 QIM	The effective leadership is visible in various institutional practices such as decentralization and participative management
6.2	Strategy Development and Deployment
6.2.1 QIM	The institutional Strategic / Perspective plan is effectively deployed
6.2.2 QIM	The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules and procedures, etc.
6.3	Faculty Empowerment Strategies
6.3.1 QIM	The institution has effective welfare measures for teaching and non-teaching staff
6.3.5 QIM	Institutions Performance Appraisal System for teaching and non-teaching staff
6.4	Financial Management and Resource Mobilization
6.4.1 QIM	Institution conducts internal and external financial audits regularly
6.4.3 QIM	Institutional strategies for mobilisation of funds and the optimal utilisation of resources
6.5	Internal Quality Assurance System
6.5.1 QIM	Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes
6.5.2 QIM	The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities (For first cycle - Incremental improvements made for the preceding five years with regard to quality For second and subsequent cycles - Incremental improvements made for the preceding five years with regard to quality and post accreditation quality initiatives)

Qualitative analysis of Criterion 6

The Vision, Mission, Goals and Objectives of the institution reflect the nature of governance and decision making bodies of the institution. The college functions through the activities of the committees constituted by the Principal every year. The institution practices decentralization and participative management. Delegation of work to all HoDs, and committees is observed. Leadership among students is groomed through various activities under NSS and NCC. The college has yet to implement many of the recommendations made by the NAAC peer team in 2016 which included strengthening of career counselling and placement activities, commencement of new PG courses and need based vocational/ skill development courses, augmentation of IT infrastructure, automation of library, construction of hostels etc. E governance is in rudimentary stage. ERP [Enterprise Resource Management] system will be helpful. In the last five years no faculty member has received any financial assistance to attend conferences and workshops. Financial support for attending conferences and membership fee for professional bodies will improve research output of the college.

Service rules of the Govt. are followed. The PBAS of UGC is followed for the promotion of teachers. Staff members are provided with all types of admissible benefits as per the Government norms. Grievance Redressal committee functions under the supervision of the principal and there is a separate anti sexual harassment committee. The institution conducts external financial audits for the funds received from the Government. There is a provision of internal audit for the funds generated in self-finance programmes. State Govt. releases funds for maintenance of infrastructure, staff welfare etc. The institution is funded by RUSA for infrastructure development. Resource mobilisation through alumni and various self financing courses may be encouraged. Faculties should be encouraged and motivated to attend refresher/ Orientation/ FDP either in offline or online modes. Teachers may be trained in the use of MOOC courses and should be provided incentive for e-content development of courses on SWAYAM and NPTEL platforms. IQAC was established in 2017 as per UGC guidelines and has potentially to become more proactive by drawing well defined action plans, procedures and quality assurance strategies.

Criterion7 - Institutional Values and Best Practices (Key Indicator and Qualitative Metrics(QIM) in Criterion7)	
7.1	Institutional Values and Social Responsibilities
7.1.1 QIM	Measures initiated by the Institution for the promotion of gender equity during the last five years.
7.1.3 QIM	Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 500 words) <ul style="list-style-type: none"> • Solid waste management • Liquid waste management • Biomedical waste management • E-waste management • Waste recycling system • Hazardous chemicals and radioactive waste management
7.1.8 QIM	Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 500 words).
7.1.9 QIM	Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).
7.1.11 QIM	Institution celebrates / organizes national and international commemorative days, events and festivals (within 500 words).
7.2	Best Practices
7.2.1 QIM	Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.
7.3	Institutional Distinctiveness
7.3.1 QIM	Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Qualitative analysis of Criterion 7

The college has an anti-harassment cell, internal complaint cell, girls' common-room and for security of girl-students. Special financial and academic assistance, counselling and similar other measures may be taken by the college for promotion of gender equity. Seminars on constitutional and legal rights of women and remedies against domestic and outside violence can also be organised. The college should conduct annual gender audit to review its progress in ensuring gender equality. The Institute's efforts are encouraging in the

area of gender equity with 45% female students. To ensure safety and security of girls, the provisions of Department of Higher Education Government of Chhattisgarh are strictly followed. An Internal Complaint Committee as per the UGC is also constituted in the campus. There is a provision for common room for girls and automated machine for dispensing sanitary pads.

The college has taken steps in Solid waste management, Liquid waste management and E-waste management. Solid wastes are collected by Municipal Corporation. Liquid waste is connected to underground sewage connection. Biomedical and E-waste generation is reduced by buy back system in which the out-dated systems/ chemicals are returned to the company from where they were purchased. For rain water conservation, water tanks are constructed. Provision for rain water harvesting and waste water recycling are yet to be strengthened. The college uses LED for Energy savings. Alternative energy like solar may be implemented. Expenditure on Green initiatives has been meagre and need to be increased.

There is ban on use of plastics. The institution has a system for green-auditing. The transparency in financial functions is maintained through online financial transactions. Provision of ERP system will improve academic and administrative audit. In college, there are disabled friendly washrooms and ramps. Institution celebrates every year national and international commemorative days such as-Gandhi Jayanti, teachers day, Youth day, International women's day, Hindi divas, World environment day, National Science day etc.

The college claims to have two best practices:

1) Community Service- During the assessment period 125 outreach activities covering beneficiaries of neighboring villages have been undertaken. About 300 students per year on an average participated in extension activities.

2) Harmony and congeniality in the campus: Various committees have been formed to resolve the issues related to the students. Proper communication with the students has made it possible that no cases of ragging, harassments and group rivalry have been reported in recent years. Since 2015-16 every year the elections for students union have been conducted smoothly.

Institutional Distinctiveness:

The college claims that being the only Govt. multi faculty Co-Ed. College in the city with 45% girls students makes it a distinctive institution. College focuses on the mental development and orientation of the students towards social responsibilities.

Section III: OVERALL ANALYSIS based on Institutional strengths, Weaknesses, Opportunities & Challenges (SWOC) (up to 500 words)

Overall Analysis

Strength:

- The Institution caters to a large number of students belonging to categories like SC, ST, OBC.
- Extension activities are noteworthy.
- Encouraging gender diversity.
- It provides proper education to poor and unprivileged students.
- Free education to girls' students.
- More than 80% permanent teachers are Ph.D. holders.

- The college has adequate physical infrastructure

Weaknesses:

- Student- Teacher ratio is low and requires attention.
- Inadequate research facilities. Research publication of faculty members needs to be improved
- Inadequate use of ICT in teaching and learning resources.
- Internet bandwidth and terminals to be increased for providing optimum platform for developing effective and efficient ICT based learning ecosystem.
- Student- Computer ratio needs to be improved.
- Formal linkage and association with organizations, industries and professional bodies need to be pursued.
- Parking space is not adequate and proper.
- Lack of collaborations and MOUs. This institution is also missing innovative add-on/certificate courses.

Opportunities:

- It has the opportunities for introduction of more industry oriented technical programmes/courses.
- To use the locational advantage for enhancing employability in graduates in enterprise education and entrepreneurship.
- To collaborate with organizations and local level industries to offer an innovative ecosystem to the students.
- Involve faculty and students to undertake research and consultancy projects at the local level.
- To strengthen IQAC and making it more proactive.
- Mobilisation of resources for development of infrastructure.
- Introduction of new skill-oriented programmes having local relevance, particularly self-financed courses.
- To enhance employability through customised relevant programmes.

Challenges:

- Arranging campus placement and counselling opportunity.
- The students have poor socio-economic background.
- To improve English language proficiency of students from a regional background.
- Up gradation and Complete automation of library resources.
- To increase geographical diversity in the intake of students.
- To motivate faculty for quality research and innovation.
- Keeping pace with changing technological advancements
- Attracting more external funding through research proposals.
- Widening exposure to both students and faculty.
- implement CBCS to introduce flexibility, mobility and inter-disciplinary approach to academic programmes.

Section IV: Recommendations for Quality Enhancement of the Institution

(Please limit to **ten major ones** and use telegraphic language) (It is not necessary to indicate all the ten bullets)

- Implementation of CBCS for flexibility, mobility and inter-disciplinary approach to academic programmes.
- Establishing language laboratory, incubation centres is suggested for encouraging students for entrepreneurship.
- Green audit needs to be strengthened for inculcating sensitisation towards environment consciousness. Infrastructure must be enhanced in terms of green initiatives.
- Placement opportunities are required, trainings and career guidance counselling is suggested for better outcome
- Academic environment must be enhanced for research activities for teachers as well as for students. Teacher student ratio must be improved for better outcomes
- Hygienic and subsidised Canteen facility can be initiated
- Special classes for NET/SET and other competitive examinations is need of the hour
- Adequate and proper parking space for cycles, bikes etc must be created
- Communication skills and computer literacy among the students and increased use of ICT in teaching, learning and evaluation process must be adopted.
- Regular AMC for equipment and instruments are needed

I have gone through the observations of the Peer Team as mentioned in this report

(19) श्री लताेश कोठिक दागदाता प्रतिनिधि

(20) श्री जमीर अहमद दार प्रतिनिधि

आयोजित बैठक में प्रस्ताव एवं निर्णय निम्नप्रकार हैं
 प्रस्ताव क्र (1) मेगरेट का चौड़ीकरण, प्रवेश द्वार का चौड़ीकरण तथा
 लौदपीकरण का कार्य हेतु प्रस्ताव
 निर्णय :- मेगरेट का चौड़ीकरण, प्रवेश द्वार का चौड़ीकरण तथा
 लौदपीकरण का कार्य कराये जाते हेतु निर्णय सर्वसम्मति
 से प्रस्ताव प्राप्त किया गया।

प्रस्ताव क्र (2) प्रवेश द्वार के दोनों ओर चेकसू टाइमिंग एवं हेमलगाणा
 निर्णय :- प्रवेश द्वार के दोनों ओर चेकसू टाइमिंग एवं हेम
 लगाये का निर्णय लिया गया।

प्रस्ताव क्र (3) सम्पूर्ण बाकूडीवाल में एंगल देकर काटेदार लगाने का
 निर्णय :- सम्पूर्ण बाकूडीवाल में एंगल देकर काटेदार लगाने का
 प्रस्ताव सर्वसम्मति निर्णय लिया गया।

प्रस्ताव क्र (4) खेल मैदान के चारों ओर तथा कालेज में प्लाग हेडिंग
 निर्णय :- खेल मैदान के चारों ओर तथा कालेज में प्लाग हेडिंग
 कराने का सर्वसम्मति से निर्णय लिया गया।

प्रस्ताव क्र (5) महाविद्यालय की सुरक्षा के लिए पीई (नौकरी के
 लामरे की ओर) बाकूडीवाल का निर्माण

निर्णय :- महाविद्यालय की सुरक्षा के लिए पीई के
 बाकूडीवाल बनाने का सर्वसम्मति से निर्णय
 लिया गया।

प्राचार्य
 कला एवं वाणिज्य महाविद्यालय
 विलासपुर (छ.ग.)

प्रस्ताव क्र० 6 पीई राड्ड में काल्पायी सायकल स्टैंड का निर्माण
निर्णय :- पीई राड्ड में काल्पायी सायकल स्टैंड का निर्माण कराये जाने का निर्णय लिया गया।

प्रस्ताव क्र० 7 कम्प्यूटर लेव का नवीनीकरण एवं नवीन फ्रान्फ्रेश हाउस
निर्णय :- कम्प्यूटर लेव का नवीनीकरण करके का प्रस्ताव पास किया गया, एविलीय मड के राशि के तथा नवीन फ्रान्फ्रेश हाउस का निर्माण कराया जाय।

प्रस्ताव क्र० 8 एम.एल.सी. की कक्षाएं प्रारंभ करवाने हेतु प्रस्ताव
निर्णय :- एम.एल.सी. की कक्षाएं, एम.एल. राड्ड में प्रारंभ करने का प्रस्ताव पास किया गया एवं नवीन फ्रान्फ्रेश हाउस हेतु प्रस्ताव

प्रस्ताव क्र० 9 महाविद्यालय में आवश्यकता अनुसार सी.सी. कैमरे लगवाने का
निर्णय :- महाविद्यालय में आवश्यकता अनुसार सी.सी. कैमरे लगवाने का प्रस्ताव पास किया गया।

प्रस्ताव क्र० 10 गंधामय हेतु आवश्यकता अनुसार पुस्तकों का क्रय करना
निर्णय :- गंधामय हेतु आवश्यकता अनुसार पुस्तकों का प्रस्ताव पास किया गया।

प्रस्ताव क्र० 11 माइजर प्रोजेक्ट के लिए जनसागरिणी मड के स्वीकृत करना। एवं सेमिनार
निर्णय :- माइजर प्रोजेक्ट के लिए जनसागरिणी मड के राशि स्वीकृत करने का प्रस्ताव पास किया गया। तथा

प्रस्ताव क्र० 12 अध्यक्ष महोदय की प्रस्ताव लाया गया कि महाविद्यालय के आर्टिस्टिक में जासकिक कार्यक्रम कराने की कठिनी
दिया जाय तथा शुक्रवार उसीसे विकारा कराया जाय।
निर्णय :- सर्वसम्मति से निर्णय लिया गया।

प्रस्ताव क्र० 13 महाविद्यालय के अंतर्गत हाउस में निर्माण तथा शुक्रवार वापस
मही कारक का निर्णय का प्रस्ताव पास किया गया।

आयुक्त,
उच्च शिक्षा संचालनालय,
इन्द्रावती भवन, नया रायपुर (छ.ग.)

विषय:- शासकीय जे.पी.वर्मा स्नातकोत्तर कला एवं वाणिज्य महाविद्यालय, बिलासपुर परिसर स्थित भवन में द्वितीय तल निर्माण कार्य हेतु वर्ष 2016-17 नवीन मद प्रस्ताव की प्रशासकीय स्वीकृति बाबत।

—00—

राज्य शासन, एतद् द्वारा, बजट वर्ष 2016-17 के बजट प्रावधान के आधार पर शासकीय जे.पी.वर्मा स्नातकोत्तर कला एवं वाणिज्य महाविद्यालय, बिलासपुर परिसर में स्थित भवन के द्वितीय तल निर्माण कार्य हेतु लोक निर्माण विभाग का प्राक्कलन राशि रु.101.19 लाख की प्रशासकीय स्वीकृति शर्तों के अधीन प्रदान की जाती है -

मांग संख्या	वर्ष 2016-17 के बजट में प्रावधानित राशि (लाख में)	प्रशासकीय स्वीकृति की राशि (लाख में)
67-लोक निर्माण कार्य भवन-4202-शिक्षा, खेल कला एवं संस्कृति पर पूंजी परिषद (01) सामान्य शिक्षा (203) विश्वविद्यालय और उच्च शिक्षा (0101) राज्य आयोजना (सामान्य)-(5086) महाविद्यालयीन भवनों का निर्माण-97-निर्माण कार्य के अन्तर्गत विकल्पनीय होगा।	40	101.19

प्रमाणित किया जाता है, कि उक्त प्रशासकीय स्वीकृति दिये जाने के पूर्व वित्त निर्देश क्रमांक 25/12 के अंतर्गत गठित समिति की अनुशंसा बैठक दिनांक 16.05.2016 एवं विभागीय मंत्रीजी का प्रशासकीय अनुमोदन प्राप्त किया गया है।

उक्त प्रशासकीय स्वीकृति निम्नलिखित शर्तों के अधीन होगी:-

1. लोक निर्माण विभाग द्वारा तैयार प्राक्कलन एवं नक्शा के आधार पर ही भवन निर्माण किया जाना सुनिश्चित किया जाए।
2. इस बात का ध्यान रखा जाए कि निर्माण कार्य, प्रशासकीय स्वीकृति के अन्तर्गत राशि में ही किया जाए तथा इस हेतु कोई पुनरीक्षित प्रक्कलन अथवा कॉस्ट एस्केलेशन आदि देय नहीं होगा।
3. समय-समय पर प्राचार्य एवं कलेक्टर द्वारा तकनीकी सहयोगी के माध्यम से भवन के गुणवत्ता की जांच की जावे।
4. लोक निर्माण विभाग द्वारा भवन पूर्णता पश्चात् विभाग को हस्तांतरित करने के पूर्व प्राचार्य से भवन की गुणवत्ता व पूर्णता संबंधी प्रमाण-पत्र प्राप्त किया जावेगा।

ज्ञाप क्रमांक 454 / शिल्प. / 2019-20
प्रति,

बिलासपुर, दिनांक 11/02/2020

✓ प्राचार्य,

शासकीय जे.पी.वर्मा स्नातकोत्तर कला एवं वाणिज्य महाविद्यालय,
जरहाभाठा, बिलासपुर (छ.ग.)

विषय :- शासकीय जे.पी.वर्मा कला एवं वाणिज्य महाविद्यालय, जरहाभाठा, बिलासपुर में नवनिर्मित द्वितीय तल भवन को आधिपत्य में लेने बाबत।

संदर्भ :- आपका ज्ञाप क्र. 1185/स्था./2020 बिलासपुर दिनांक 21.01.2020।

==00==

उपरोक्त संदर्भित पत्र का अवलोकन करने का कष्ट करें। शासकीय जे.पी.वर्मा कला एवं वाणिज्य महाविद्यालय, जरहाभाठा, बिलासपुर में द्वितीय तल भवन निर्माण हेतु छ.ग. शासन उच्च शिक्षा विभाग रायपुर योजनान्तर्गत प्रशासकीय स्वीकृति राशि रु. 101.19 लाख दिनांक 03.03.2017 को प्रदाय किया गया था। तदनुसार निविदा की कार्यवाही पूर्ण कर द्वितीय तल भवन का निर्माण कार्य दिनांक 26.11.2017 को पूर्ण किया गया, जिसमें कुल व्यय 78.92 लाख (सिविल एवं विद्युतकरण कार्य सहित) व्यय किया गया। तत्पश्चात् नवनिर्मित भवन को आधिपत्य में लेने हेतु आपकी ओर पत्र दिनांक 15.02.2018 को प्रेषित किया गया। जिसे आपके द्वारा आधिपत्य में लिया गया। किन्तु संदर्भित पत्र में आपके द्वारा प्रशासकीय स्वीकृति राशि रु. 101.19 लाख के विरुद्ध कुल व्यय 78.92 लाख एवं शेष बचे राशि रु. 22.27 लाख के संबंध में महाविद्यालय के हित में क्या उपयोग किया जाता है के संबंध में जानकारी चाही गई है। जिसके तारतम्य में लेख है कि भवन निर्माण की कुल लागत के अनुसार ही योजनान्तर्गत कुल व्यय राशि रु. 78.92 लाख ही मांग कर भुगतान अनुबंधक को किया गया। शेष राशि की आवश्यकता नहीं होने के कारण मांग नहीं किया गया, और ना ही शेष राशि इस संभाग में जमा है।

पत्र में उल्लेखित कार्य हेतु प्रशासकीय स्वीकृति उच्च शिक्षा विभाग छ.ग.शासन द्वारा प्रदाय किया गया है। प्रशासकीय स्वीकृति के साथ आबंटन प्रदाय करने की कार्यवाही भी संबंधित विभाग द्वारा किया जाता है। अतः शेष राशि के संबंध में आप अपने विभाग से ही पत्राचार कर जानकारी प्राप्त करने का कष्ट करें।

सूचनार्थ प्रेषित।

सहपत्र :- शून्य।

Project Proposal for College Management System

*A FULLY CUSTOMIZED SOFTWARE SPECIALLY DEVELOPED FOR THE COLLEGE
"Digital Transformation"*

To

The Principal/Director,
Government Degree College

Subject: Proposal for College Management System-CMS (ERP Software) and website upgradation with integrated payment gateway for Admission 2022-2023 session.

Respected Sir/Madam,

We are very glad to introduce our company as "APPILOGICS IT SOLUTION PVT. LTD.", a Software company having Professional Expertise in all core areas of Information technology including IT Consultation, Software, Website Designing and Hosting, Web Development and Services & Support to maximize the customer satisfaction. We have evolved sound delivery models and business strategies to deliver high-quality and cost-effective solutions for our clients to perform better and meet their goals. Our Commitment to Perfection, Customer Satisfaction, Technical Expertise, Corporate values and Job Transparency has made us a preferred vendor to our Clients. In **APPILOGICS IT SOLUTION PVT. LTD.** we are dedicated to deliver quality solutions to diverse information technical demands. We have customers from a wide range of Industries. **APPILOGICS IT SOLUTION PVT. LTD.** is engaged in providing customized Software Solution according to requirements in various sectors. We feel pleasure to introduce our latest and much awaited product (CMS). We Developed a fully Customized Software for Educational Institute named [College Management System].

College Management System (CMS) is an ERP Solution that is easy to Use and implement. It is a single window solution of enterprise where in each and every sections / departments and locations are integrated in to one. Information flows from one place to another automatically without any repetition of entry. This software is developed by our experts and using the latest technology, we developed it taking care of the user easiness; it is user friendly and customized software that a non-technical person can work on this software.

"College Management Software" or "College Management System" is software which is used to manage and streamlining the complete college activities and procedures including admin management, student management, e-learning management, hostel management, staff management, inventory management, library management, transport management etc.

AppiLogics college management software is a complete ERP solution specially developed for techno-savvy colleges and universities. This advanced software has all the features incorporated which are needed to handle all the required activities. College can manage activities like student attendance, fee, exam, library records and much more. AppiLogics college ERP solution is designed in order to minimize the complexity faced by colleges to manage odd-even semester simultaneously. This is easy to install and ready to use college management system configured with all type of operating system and Mobile devices. With this reliable and secure solution the college can now achieve the goal of becoming a paperless organization.

उक्त विवरण अनुसार सोलर पॉवर प्लांट स्थापना हेतु पत्र के साथ पृथक-पृथक संलग्न प्राक्कलन अनुसार 100 प्रतिशत राशि इस कार्यालय को कार्यपालन अभियंता, क्रेडा, क्षेत्रीय कार्यालय, बिलासपुर (Executive Engineer CREDA R.O., Bilaspur) के पक्ष में देय डी.डी./चेक अथवा RTGS/NEFT के माध्यम से उपलब्ध करवाने का कष्ट करेंगे। लेख है कि संलग्न प्राक्कलन वर्तमान में प्रचलित दर अनुसार है दर परिवर्तन होने पर पृथक से राशि की मांग की जावेगी।

बैंक खाते का विवरण निम्नानुसार है :-

01. बैंक का नाम - पंजाब नेशनल बैंक
02. शाखा - लिंगियाडीह, बिलासपुर
03. खाता क्र.- 6938000100035481
04. IFSC Code : PUNB0693800

संलग्न :- प्राक्कलन।

जिला प्रभारी
क्रेडा, बिलासपुर

क्रमांक 3171/क्रेडा-746-A/22-23

बिलासपुर, दिनांक 31/01/2023

प्रतिलिपि :- कार्यपालन अभियंता महोदय, क्रेडा क्षेत्रीय कार्यालय बिलासपुर को सूचनार्थ।

Fire Hydrant Complete Quotation

S. No.	Description	Make	Qty.	Unit	Rate	Total	Remark
1	<p>Supplying, installation, testing and commissioning of Fire Authority approved electric driven main pump suitable for automatic operation and consisting of following: complete in all respect as required. (a) Horizontal end suction high pressure Single/Multistage, centrifugal pump of cast iron body and bronze impeller with stainless steel shaft, mechanical seal to ensure a minimum pressure of 3.5 kg/sq.cm. at highest and farthest outlet at specified flow of 97.0 m³/hr at 50 mtr head conforming to IS 1520 Pump shall be capable of furnishing not less than 150% of rated capacity at a head not less than 85 % of rated head. The shut off head shall not exceed 120% of rated head. (b) Suitable HP-30HP, 3Q cage induction motor, TEFC, synchronous speed 2900 RPM, suitable for operation on 415 ± 6% volts, 3 phase 50 Hz. AC with IP 55 protection for enclosure with Class- 'F' insulation, conforming to IS- 325.</p> <p>(c) M. S. fabricated common base plate, coupling, coupling guard, foundation bolts etc. as required. (Customer work to provide Suitable reinforced cement concrete pump foundation as per manufacturer's design) Foundation bolts, washers as required with anti-vibration pad. (d) Drain Pipe with Valve (50 mm dia) Main Pump & Sprinkler Fire Pump (e) Make-ITT Discharge flow - 1650 LPM (Kirloskar/M&P) App. Head : 30 M, App. HP : As per Manufacturer, Location : plant room, (f) Rate should include interconnection cables and foundation bolts, grouting of Foundation bolts and other accessories required.</p>	Main Pump Electric Driven, (Make: Kirloskar)	1	Nos	196000	196000	As Per NBC for Fire Safety (Same as for eco)
2	<p>Supplying, installation, testing and commissioning of electric driven pressurization pump (jockey) suitable for automatic operation and consisting of following complete in all respect as required. Horizontal split casing high pressure Single/Multistage, centrifugal pump, of cast iron body and bronze impeller with stainless steel shaft, mechanical seal and flow of 10.8 m³/hr at 50 m head conforming to IS: 1520 (b) Suitable HP-7.5HP, 3Q cage induction motor TEFC type suitable for operation on 415 volts, 3 phase 50 Hz. AC with IP 55 protection for enclosure, 2900 RPM horizontal foot mounted type with class 'F' insulation, conforming to IS: 325. (c) M. S. fabricated common base plate, coupling, coupling guard, foundation bolts etc. as required.</p> <p>(Customer work scope to provide Suitable reinforced cement concrete pump foundation as per manufacturer's design) foundation bolts, washers as required with anti-vibration pad. Jockey Pump :- ("Make: Kirloskar/ M&P"), Discharge Flow: 10.8 m³/hr (180 LPM or 3 LPS), App Head : 50 MTR, App. HP : As per manufacturer recommendation, Location : Plant Room, Rate shall include inter connecting cables, grouting of Foundation bolts and other accessories required.</p>	Electric Driven Pressurization Pump (Jockey) (Make: Kirloskar)	1	Nos	83150	83150	As Per NBC for Fire Safety (Same as for eco)
3	<p>Supplying, installation, testing & commissioning of cubical type floor mounted electrical control panel of 2.0 mm thick CRCA sheet suitable for 380-415 Volt, 50 Hz, 3 Ph supply, NEMA type 2 (IP 31) drip proof metal free standing enclosure for firefighting pumps with suitable star-delta starter including indicating lamps, ammeter, voltmeter, selector switches for each, incoming and outgoing feeder, auxiliary switches, dry suction cut off, single phase preventer, alu. bus bar etc. The panel shall be provided with interlocking arrangement between electric motor driven and diesel engine driven pumps so that only one pump can operate at one time and in case of any failure in electric motor driven pump the diesel engine driven pump shall operate automatically 1 No. DOL starter suitable for jockey pump motor I/C CT, ammeter with selector switch. & control with pressure switch complete with auto/manual selector switch inter connecting wiring, control wiring from pressure switch to panel, pump ON indicating lamp, etc. complete as required.</p>	Pump Control Panel (Make Agni)	1	Nos	168000	168000	To Automatic Operate Main Electric Pump, Diesel and Jockey Pump
4	<p>Supplying, installation, testing and commissioning of diesel engine driven fire pump suitable for automatic operation and consisting of following complete in all respect as required. Horizontal end suction high pressure Single/ Multistage, centrifugal pump of cast iron body and bronze impeller with stainless steel shaft, mechanical seal to ensure a minimum pressure of 3.5 kg/sq.cm. at highest and farthest outlet at specified flow of 97 m³/hr at 50 m. head conforming to IS 1520. (b) Suitable HP- 1800 RPM water cooled with radiator, diesel engine conforming to relevant BS & IS Pump shall be capable of furnishing not less than 200% of rated capacity at a head not less than 85% of the rated head. The shut off head shall not exceed 120% of rated head. (c) 1 No. 8 hours capacity day oil storage tank fabricated from 3-mm thick M.S. plates. Tank shall be provided with inlet, outlet, overflow, air vent, drain connections, filling connection & magnetic level indicator. Tank</p>	Diesel Engine Driven Fire Pump (Kirloskar)	1	Nos	488000	488000	As Per NBC for Fire Safety

कला एवं वाणिज्य महाविद्यालय

	(d) 24 volts 180 AH lead acid battery (12/24 volts - 2 Nos) with boost/trickle charger for starting the engine automatically complete as required. (e) M. S. fabricated common base plate, coupling, coupling guard, foundation bolts etc. as required. (f) Customer work scope to provide suitable cement concrete foundation duly plastered. (g) Flexible Coupling & coupling guard for direct coupling of engine & pump. (h) Drain pipe 80 mm dia Diesel Engine driven							
5	Providing, fixing, testing and commissioning of precharged air vessel 200 mm (size 200 mm dia & 1200 mm height) for pressurization of hydrant / sprinkler system complete with adequate pressure switches (as per design / requirement) with valves to operate as per operating sequences including 25 mm dia drain valve, air release valve with stop cock on the top, 25 mm dia inlet with isolating valve duly painted from inside and outside complete as required.	Air Vessel tank Fabricated		1	Nos	18000	18000	to maintain Pressure in All MS Pipe Line of All Floor
6	Providing and fixing of Pressure switch with fittings as per required ("Make- Danfoss/Switzer/Indfoss/System Sensor")	Indfoss		3	Nos	1850	5550	Connected to Control Panel to operate pump
7	Providing, fixing, testing & commissioning of dial type 100 mm pressure gauge with isolation ball valve suitable for working pressure of 250 PSI with no Syphon. Cost shall be inclusive of providing any short pieces, nipples, elbows etc as required. ("Make- Fiebig / H Guru/Waree/ARBUDA")	ARBUDA		7	Nos	1950	13650	To Verify Pressure in Line
8	Providing, fixing Testing & Commissioning of Air/Pressure Release Valve complete with all accessories sockets, elbow etc. To Release air from Hydrant Line, (Make: Sant / Arbuda/ Kartar)	Sant		2	Nos	1450	2900	To Release air from Line
9	Providing & fixing double flanged flexicon expansion joint (expansion bellows) of standard length as per manufacturers specs including rubber gaskets, flanges, nuts, bolts and washers complete as required. 80 MM Dia	Azad		2	Nos	8600	17200	To Protect Civil Structure and MS Pipe Fitting From Vibration of PUMP Set
10	Providing & fixing double flanged flexicon expansion joint (expansion bellows) of standard length as per manufacturers specs including rubber gaskets, flanges, nuts, bolts and washers complete as required. 100 MM Dia	Azad		4	Nos	9600	39200	To Protect Civil Structure and MS Pipe Fitting From Vibration of PUMP Set
10	Providing & fixing double flanged flexicon expansion joint (expansion bellows) of standard length as per manufacturers specs including rubber gaskets, flanges, nuts, bolts and washers complete as required. 150 mm dia	Azad		0	Nos	12500	0	To Protect Civil Structure and MS Pipe Fitting From Vibration of PUMP Set
11	Providing, fixing, testing & commissioning of forged brass ball valve with forged brass ball suitable for test pressure of not less than 20 kg / sq.cm of the following size with nuts, bolts, gaskets, necessary accessories, etc as required. ("Make- Leader/Kranti/Hammer/Zakota"), (Cost shall be inclusive of providing necessary union / flange connection). 25 mm dia	Kartar		10	Nos	1250	12500	For First Aid Hose Reel and for PUMP Air Vessels
13	Providing, fixing, testing & commissioning of butterfly valve (suitable for test pressure of 16 kg / sqcm) with flanges, nut bolts, gaskets, painting and necessary pad locking arrangement complete required. ("Make : Kranti/Hammer/Racer/Kartar"). 80 mm dia	Kartar		2	Nos	4200	8400	For Sprinkler Line and pump house
14	Providing, fixing, testing & commissioning of butterfly valve (suitable for test pressure of 16 kg / sqcm) with flanges, nut bolts, gaskets, painting and necessary pad locking arrangement complete required. ("Make : Kranti/Hammer/Racer/Kartar"). 85 mm dia	Kartar		0	Nos	0	0	For Sprinkler Line and pump house
15	Providing, fixing, testing & commissioning of butterfly valve (suitable for test pressure of 16 kg / sqcm) with flanges, nut bolts, gaskets, painting and necessary pad locking arrangement complete required. ("Make : Kranti/Hammer/Racer/Kartar"). 100 mm dia	Kartar		8	Nos	4800	38400	For Pump house
16	Providing, fixing, testing & commissioning of butterfly valve (suitable for test pressure of 16 kg / sqcm) with flanges, nut bolts, gaskets, painting and necessary pad locking arrangement complete required. ("Make : Kranti/Hammer/Racer/Kartar"). 150 mm dia	Kartar		2	Nos	6200	12400	For Pump house
17	Providing, fixing, testing and commissioning of dual plate C.I. wafer type check valve of pressure 16 Kg/sq.cm with flanges, Nut, bolts & washers, painting etc. Complete as required. ("Make Sarkar/Kranti/Leader/Hammer/Racer"). 80 mm dia	Kartar		1	Nos	4200	4200	For Pump house
17	Providing, fixing, testing and commissioning of dual plate C.I. wafer type check valve of pressure 16 Kg/sq.cm with flanges, Nut, bolts & washers, painting etc. Complete as required. ("Make Sarkar/Kranti/Leader/Hammer/Racer"). 100 mm dia	Kartar		2	Nos	4800	9600	For Pump house
18	Providing, fixing, testing and commissioning of dual plate C.I. wafer type check valve of pressure 16 Kg/sq.cm with flanges, Nut, bolts & washers, painting etc. Complete as required. ("Make Sarkar/Kranti/Leader/Hammer/Racer"). 150 mm dia	Kartar		1	Nos	6200	6200	This is NRV For Hydrant Line Near Pump
19	Providing, fixing, testing and commissioning of C.I. Y strainer for pressure of 16 kg / sq.cm with bronze perforated sheet basket including rubber gasket, flanges, nuts, bolts and washers, painting of the same complete as required and suitable for system pressure. ("Make- Woth/PNW/Marek/Kartar"). 80 mm dia	Kartar		1	Nos	8600	8600	For Suction Pipe Working as Filter

सुरक्षित नैती कार्य स्वातकोत्तर

20	Providing, fixing, testing and commissioning of 'G'Y' strainer for pressure of 16 kg / sq.cm with bronze perforated sheet basket including rubber gasket, flanges, nuts, bolts and washers, painting of the same complete as required and suitable for system pressure. ("Make-Worth / PMW/Marck/Kartar"), 100 mm dia	Kartar		2	Nos	12000	24000	For Suction Pipe Working as Filter
20	Providing, fixing, testing and commissioning of 'G'Y' strainer for pressure of 16 kg / sq.cm with bronze perforated sheet basket including rubber gasket, flanges, nuts, bolts and washers, painting of the same complete as required and suitable for system pressure. ("Make-Worth / PMW/Marck/Kartar"), 150 mm dia	Kartar		0	Nos	14000	0	For Suction Pipe Working as Filter
21	Providing, fixing, testing and commissioning of MS fire hydrant single landing valve with 80 NB flanged inlet, SS spindle controlled 63 mm dia female instantaneous outlet type, SS coupling, blank cap, chain, twist release type lug & all accessories. Conforming to IS-5290, including fixing with anchor fastener and flanged tapping from wet riser and providing with all accessories, nuts, bolts, gaskets, painting complete as required. ("Make- Newage/Kartar/ArmorFire/Novex")	Kartar		10	Nos	5600	56000	3 For Three Floor and 1 for Outside
22	Providing, fixing, testing & commissioning of swinging type First Aid hose reel in red colour drum with 30 mtrs. long and 20 mm dia heavy duty thermoclast water hose, 20 mm dia globe valve stop cock, terminating with ss/brass coupling & nozzle of 6mm outlet with shut off valve conforming to IS 8090 - 1976 complete with MS socket for tap-off, drum and brackets (including painting) for fixing on wall with anchor fastener, bolts & nuts conforming to IS-884-1969 complete as required. ("Make- Newage/Dmes/Armorfire/Novex")(Malaycian Type)	Ronak (Malaycian)		10	Nos	5900	59000	For All Floor
23	Providing, fixing, testing & commissioning of non-perforating, Carvas fire hose pipe (as per IS - 536, Type B) of 63 mm dia and 15m length. The hose shall be rated for burst pressure of 35.7 Kg/sqcm. Hose shall be complete with ISI marked SS male & female coupling (IS:903) bound & rivetted to hose pipe with GI rivets & 1.5 mm GI wire. (Internal fire hydrant)("Make- Armorfire/Novex/SafePro/Agni")	Torrent		20	Nos	4200	84000	2 Nos For Outside and 3 For All three Floor
24	Providing, fixing, testing and commissioning of Weather proof standard fire hose cabinet Wall mounting type (650 mm x 650 mm x 250 mm deep) having double opening with M.S. Fabricated Stand, necessary locking arrangement by allen key suitable for housing 2 nos. hose pipe, 1no. Branch pipe & nozzle sparer ("Make- FourFox/Newage/Dmes")	FourFox		10	Nos	5400	54000	For Near Hydrant Valves
25	Providing, fixing, testing and commissioning of Weather proof standard fire hose cabinet Wall mounting type (450 mm x 450 mm x 250 mm deep) having Single opening with M.S. Fabricated Stand, necessary locking arrangement by allen key suitable for housing 1 nos. hose pipe, 1no. Branch pipe & nozzle sparer ("Make- FourFox/Newage/Dmes")	FourFox		0	Nos	0	0	For Out Site
26	Providing, fixing, testing & commissioning of 63 mm dia instantaneous pattern branch short ss pipe, 19 mm dia nozzle conforming to IS 903, suitable for inter connection to hose pipe coupling complete as required ("Make-Firex/Armorfire/Novex/Newage")	Ronak		10	Nos	1250	12500	
27	Providing, fixing, testing and commissioning of GI fire brigade connection (suction collecting head) consisting of 2 No. 63 mm dia instantaneous type male couplings with built-in check valves, 1 No. 100 mm dia sluice valve, 1 No. 100 mm dia non-return valve and 100 mm dia flanged outlet complete with bolts, nuts and rubber insertions as required and as per IS:304-1963. ("Make- Newage/Armorfire/Novex/On Stop Fire")	4 Way Valve Winco		1	Nos	9800	9800	For Fire Brigade Pipe
28	Providing, fixing, testing and commissioning of spring loaded relief valve suitable for pressure of 16 Kg / sq cm including flanges nuts bolt and washer etc., painted complete as required. 25 mm dia Make: Sant / Kartar	Sant		1	Nos	2400	2400	For Air vessels tank
29	Providing, laying, jointing, testing and commissioning of following sizes of pipes conforming to IS-1239 with all accessories like all fittings (standard MS fitting with welded joint shall be used on the pipes) including tees, elbows, reducers, union, flanges, rubber gaskets, GI nuts bolts, washer including supporting/fixing the pipe on floor / wall / ceiling with clamps, hangers (using anchor fasteners). All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and then supply of the same shall also be included for rates under this head. All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and the supply of the same shall also be included in rates under this head. For Sprinkler system - M.S. B class pipe ("Make-Tata Steel/Jindal (Hisar)") 25 mm dia	Jindal (Hisar)		24	RM	398	9552	Qty may be increase or Decrease
33	Providing, laying, jointing, testing and commissioning of following sizes of pipes conforming to IS-1239 with all accessories like all fittings (standard MS fitting with welded joint shall be used on the pipes) including tees, elbows, reducers, union, flanges, rubber gaskets, GI nuts bolts, washer including supporting/fixing the pipe on floor / wall / ceiling with clamps, hangers (using anchor fasteners). All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and then supply of the same shall also be included for rates under this head. All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and the supply of the same shall also be included in rates under this head. Welding of any kind on the galvanized support / hanger shall not be permitted. For Sprinkler system - M.S. B class pipe ("Make-Tata Steel /Jindal (Hisar)"). 80 mm dia	Jindal (Hisar)		30	RM	1120	33600	Qty may be increase or Decrease

बिलासपुर (छ.प्र.)

34	Providing, laying, jointing, testing and commissioning of following sizes of pipes conforming to IS-1239 with all accessories like all fittings (standard MS fitting with welded joint shall be used on the pipes) including tees, elbows, reducers, union, flanges, rubber gaskets, GI nuts bolts, washer including supporting/fixing the pipe on floor / wall / ceiling with clamps, hangers (using anchor fasteners). All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and then supply of the same shall also be included for rates under this head. All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and the supply of the same shall also be included in rates under this head. Welding of any kind on the galvanized support / hanger shall not be permitted. For Sprinkler system - M.S. B class pipe ("Make-Tata Steel /Jindal (Hisar)"), 100 mm dia	Jindal (Hisar)		240	RM	1480	355200	Qty may be increase or Decrease
35	Providing, laying, jointing, testing and commissioning of following sizes of pipes conforming to IS-1239 with all accessories like all fittings (standard MS fitting with welded joint shall be used on the pipes) including tees, elbows, reducers, union, flanges, rubber gaskets, GI nuts bolts, washer including supporting/fixing the pipe on floor / wall / ceiling with clamps, hangers (using anchor fasteners). All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and then supply of the same shall also be included for rates under this head. All hangers, clamps, brackets etc. shall be of galvanized iron unless specified otherwise and the supply of the same shall also be included in rates under this head. Welding of any kind on the galvanized support / hanger shall not be permitted. For Sprinkler system - M.S. B class pipe ("Make-Tata Steel /Jindal (Hisar)"), 150 mm dia	Jindal (Hisar)		80	RM	2275	182000	Qty may be increase or Decrease
	Providing, fixing, testing and commissioning of heavy class M.S. suction & delivery headers of required length conforming to IS-1238 (upto 200mm dia) & IS-3589 with welded joints standard fittings and with end flange connections having inlet & outlet flanged connections and painting of synthetic enamel paint over a coats of primer including GI supports from wall, floors & ceiling complete as required. Cost should be inclusive of all supports/clamps / brackets, anchor fastener, expansion bellows etc. as required (all in GI). ("Make-Tata Steel /Jindal (Hisar)"), 200 mm dia	Jindal (Hisar)		6	RM	2680	16080	Qty may be increase or Decrease
38	Providing, fixing, testing & commissioning of electrically operated water flow switches (Vane type) including tamper switch and accessories, complete with tap off socket arrangement as required, with potential free contact with 2 No. NO/NC. ("Make-Switzer/System Sensor/Potter/Honeywell"), 80 mm dia	System Sensor		2	Nos	7600	15200	Sprinkler line
39	Providing, fixing, testing and commissioning of annunciator panel for flow control switch, providing Audio/Visual indicating of actuation of automatic sprinkler system for each zone complete as per specifications with provision for B zones. The panel shall have but not limited to the following arrangement. ("Make-PCD/Safeway/Agni"), (a) Indication of zone fire (b) Indication of zone fault, (c) Fire/Fault hooter, (d) Alarm cancel for fire/fault, (e) Battery for emergency, (f) Facility for connecting to Master Control Panel/Fire Alarm/BMS System.	Agni		1	Nos	12900	12900	For flow switch /detector connection
27	Internal hooter: Providing & fixing of internal hooter with working AC Voltage 220V A.C./24V D.C. current consumption, sound output 120 DB, material M.S. sheet.	Agni		6	Nos	14	850	To alert when sprinkler on
41	Providing, fixing, testing & commissioning of drain valve of forged brass ball valve with forged brass ball suitable for test pressure of not less than 20 kg / sq.cm of the following size with nuts, bolts, gaskets, necessary accessories, etc as required. ("Make-Leader/Kranti/Hammer/Zaloto"), (Cost shall be inclusive of providing necessary union / flange connection), 50 mm dia	Hammer /Racer / Kranti		1	Nos	7900	7900	To Drain Water For Sprinkler Line For Maintenance And Line check
42	Supply, installation, testing and commissioning of following types of extinguisher with provision of wall bracket (fixed with anchor fastener). ISI marked (IS-2878) Fire Extinguisher, Carbon-di-oxide type capacity 4.5 Kg. Flat base including valve, discharge hose of not less than 10 mm dia, 1M long and complete in all respects including initial fill with CO2 gas conforming to IS-307-1966 filled to a filling rate of not more than 0.667 and wall suspension bracket. As per IS-15683:2018	Jyotex		8	Each	4000	32000	All Floor
43	ABC (Powder Type) Fire Extinguisher 6 KG. in HP Mild Steel Cylinders ISI marked / approved fitted with pressure indicating gauge, internal tube, squeeze lever type valve fully charged with ABC powder. (Mono Ammonium Phosphate) pressured by Nitrogen complete in all respects including wall suspension bracket and conforming to IS-15683:2018	Jyotex		30	Each	1250	37500	All Floor
31	Supplying, fabricating, STRUCTURAL STEEL SUPPORTS, Chilli-Clamp, Bolt Nuts etc such as MS channels, angles, flats, rods as required at site with anchor fasteners, clamps, threaded rods, nuts, bolts, washers etc. complete with painting.	Jindal (Hisar)		300	KG	180	54000	Approx Qty
52	Providing, Installation of Fire Exit Signages (FIRE EXIT)	FourFox		50	Nos	280	14000	Approx Qty
