Program Highlights:

1. *Opening Remarks:*

The program commenced with opening remarks from Dr. K.K. Bhandari, who highlighted the importance of project work in the academic curriculum and its role in enhancing practical knowledge and research skills.

2. *Session by Experts:*

Dr. M.K. Sahoo provided an in-depth session on effective research methodologies and project planning. He emphasized the significance of selecting relevant topics, formulating research questions, and employing appropriate research techniques.

3. *Workshops and Interactive Sessions:*

Various workshops were conducted to provide hands-on experience in data collection, analysis, and presentation. The interactive sessions allowed students to discuss their project ideas, receive feedback, and refine their approaches with guidance from faculty members.

4. *Guidance on Project Report Preparation:*

Dr. Ashish Kumar Pandey led a detailed session on preparing a comprehensive project report. The focus was on structuring the report, ensuring clarity, and adhering to academic standards.

5. *Q&A and Feedback:*

A Q&A session was held where students could address their queries and seek advice from the faculty. The feedback provided was aimed at helping students enhance their project quality and academic performance.

Conclusion:

The Guidance Program for Project Work was a successful initiative that provided M.Com 4th Semester students with valuable insights and practical tools necessary for completing their projects. The active participation of the students and the expert guidance from the faculty members contributed significantly to the program's success.
