Hands-on Training Program on Sophisticated Equipment Handling in Physics Lab

Report

The training program has been organized on 11-09-2023 in the physics laboratory. The physics lab is well equipped with sophisticated equipments as per the new syllabus. Dr. S.S. Upadhyay performed the experiment in front of the students and explained the handling techniques. The careful handling of costly and sophisticated instruments like Michelson Interferometer was explained in detail. Principal Dr. S.L. Nirala was present in the training program and he also advised the students to handle the sophisticated equipments. He encouraged the students belonging to nearby villages for continuing their study in Science (Maths group). Prof. Shuchita Tiwari, Head, of Department of Mathematics, also delivered a short lecture in the training program. The training program was organized in collaboration with Internal Quality Assurance Cell of the college. Total 49 students participated in this training program.

organized by Mathematics Department

REPORT

Lecture on above topic has been organized by the Department of Mathematics on 07.12.2023 for the students of science faculty in computer lab. Prof. Kaushal Banjare, Head, Dept. of Computer Applications, delivered a short lecture on the above topic. Prof. Banjare explained the students about Artificial Intelligence and its applications in various field. Principal Dr. S.L. Nirala also advised the students to excel their knowledge. IQAC Coordinator Dr. S.S. Upadhyay delivered an effective lecture on the above topic. There was a session for any queries raised by the students. In this session the students asked many question related to the topic. Total 43 students participated in this program.

Report on Hands-on Training Program on Minor Repairing of Home Appliances

Hands-on Training Program on Minor Repairing of Home Appliances was organized by Dept. of Physics on 23.12.2023 in the physics laboratory. Students of B.Sc. Part II participated in this program. Dr. S.S. Upadhyay, Head of the Dept., explained the risk of opening home appliances without knowledge of that particular appliance. Repairing of fuse and some minor repairing was explained. Mr. Salim who is electrical technician, explained the high voltage risks of electrical appliances, however he demonstrated the repairing of heating iron and heating kettle. Prof. Kaushal Banjare ,Head, Dept. of Computer Application, showed the internal construction of mouse and its minor repairing. The students actively participated in this training. Total 28 students of mathematics group participated in this program.

Report on Tally Accounting Workshop

***Date:* 24 November 2023**

***Venue: * Auditorium**

***Patron:* Dr. S.L. Nirala, Principal**

***Convenor:* Dr. K.K. Bhandari, Professor & Head, Commerce
Department**

***Special Guest:* Mr. Ravindra Pratap Singh, Director, Nice Tech
Computer, Bilaspur**

***Tally Accounting Expert:* Mr. Tamesh**

***Participants:* 84**

On 24 November 2023, the Commerce Department hosted a workshop on Tally Accounting in the auditorium, which was a significant event aimed at enhancing the accounting skills of participants.

The workshop was graced by the presence of Dr. S.L. Nirala, the Principal, who extended a warm welcome to all attendees. Dr. K.K. Bhandari, Professor and Head of the Commerce Department, served as the convenor and was instrumental in organizing the event, ensuring its smooth execution.

The session featured Mr. Ravindra Pratap Singh, the Director of Nice Tech Computer, Bilaspur, as the special guest. His insights on the relevance of Tally Accounting in today's business environment were highly valued.

Mr. Tamesh, a renowned expert in Tally Accounting, led the technical part of the workshop. His comprehensive presentation covered various aspects of Tally software, including its functionalities, practical applications, and tips for efficient usage. The interactive session allowed participants to engage in hands-on practice, which enhanced their understanding of Tally.

The workshop saw an enthusiastic participation of 84 attendees, who actively engaged in discussions and practical exercises. The feedback from participants was overwhelmingly positive, highlighting the workshop's effectiveness in improving their accounting skills.

Overall, the workshop was a successful initiative, contributing significantly to the professional development of the participants.

Subject:- Request a Permission for Organizing a seminar "Exploring the AVGC Sector: Trends and Innovations" at your institute.

Respected Sir,

We are pleased to introduce ourselves as a Pioneer Training Institute of Computer Graphics, Animation VFX., Auto Cad , Fashion and Interior designing and have been serving in Bilaspur since 1998. We have experience and Expertise more than 25 years in the field of AVGC(Animation,VFX,Gaming and Comic Sector),and successfully placed over 15000+ students globally.

As a part of our concept "let learn and grow together" we would like to conduct a Seminar

Title: Exploring the AVGC Sector: Trends and Innovations" which is the need of the hour and this AVGC sector is having tremendous career and growth opportunities globally.

The seminar aims to provide a comprehensive overview of the AVGC sector, including its current trends, emerging technologies and its impact on various industries. We tend to invite distinguished speakers and experts from AVGC domain who will share their experience and insights with the participants.

We kindly request your approval and support for this endeavour, and any guidance or suggestions you may have regarding the event would be greatly appreciated.

Thank you for considering our proposal. We look forward to the opportunity to contribute to the dissemination of knowledge and awareness regarding the AVGC sector.

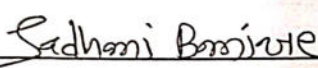

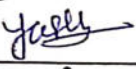

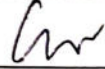

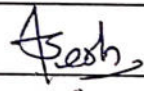

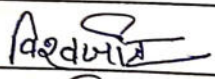

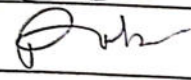

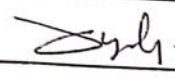

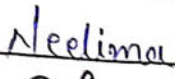

Please communicate if you require any further information or clarification.

Sincerely yours
